FROM THE PRINCIPAL

End of Term One
The term has flown by with many special events taking place.
We have celebrated Harmony Day, attended
the year 6/7 aquatics camp and many other excursions
including: the Planetarium, Port River and Maritime
Museum, visits to the Central Market, a play performed
by Adelaide HS students, The Dream Thief, as well as
a play during the Adelaide Fringe. Our ambassadors
participated in community voice through the National
Youth Week Youth Leadership Day and older students
have worked with students from NMHS to have a voice
in Australia’s engagement with Asia and much more.

Thank you to all the 85 parents and grandparents who
attended volunteer training this term. In week 9 we
were audited by the Government Screening Audits for
Educators (SAFE) team who applauded our practices
in keeping our students safe.

Sports Day
We had a very successful Sports Day today on school
grounds. This is the first time in many years that we
have had sports day on school grounds and this
change has been due to the feedback from our
community. I am sure that we can continue to improve
the way we do things hence the importance of you
providing us with regular feedback about what is
working and what isn’t working along with some
suggested solutions. Please do not hesitate in
emailing your feedback directly to me at
vicki.stravinski406@schools.sa.edu.au or the school
email address dl.1036.info@schools.sa.edu.au

Students demonstrated great sportsmanship throughout the day and participation was at its peak.
Special thanks are extended to the sports committee,
volunteers, staff and canteen managers. Thanks also
to the parents and grandparents who came along to
support children and the school. A great day was had
by us all.

**NAPLAN**

**NATIONAL ASSESSMENT PROGRAM LITERACY AND NUMERACY (NAPLAN)**

The NAPLAN will commence on Tuesday 13 May and concludes Thursday 15 May with Friday 16 May deemed as a catch up day for students who were absent from school on the previous days of testing. Day 1 test foci include language conventions and writing. Day 2 test focus is Reading. Day 3 test focus is Numeracy.

It is expected that all students in years 3, 5 and 7 will participate in the NAPLAN tests on each of the three days outlined above.

Parents of students with disabilities whose disability severely limits their capacity to participate may be exempted from sitting the tests. Parents are required to meet with the Principal before the end of week 1 term 2 to discuss their child’s individual situation. A formal request for exemption needs to be completed by parents and endorsed by the school.

Other students may be withdrawn from the testing program by parents after consideration by individual parents in consultation with the child’s teacher and principal. Withdrawals are intended to address issues such as religious beliefs and philosophical objections to testing.

Please note we strongly encourage full participation by all students however we encourage you to come in and meet with the class teacher and principal to discuss any concerns. Once again this needs to occur as soon as possible by coming in and seeing Linda to complete the appropriate forms.

**DECED INSTRUMENTAL MUSIC SERVICE**

Dave Clark, the IMS woodwind and brass teacher, will be taking leave during term 2. During this period Dave’s teaching will be covered by Sam Gordon.

Due to Sam’s other IMS teaching commitments he will be taking lessons at East Adelaide on Thursday mornings. Students have been advised individually of these changes and are reminded to bring their instruments to school on Thursdays during term 2. Please contact Dora in the front office if you have any queries.

**YEAR 8 ENROLMENT PACKAGES**

Year 8 enrolment packages were sent home last week with all Year 7 students. Application forms and supporting documentation is to be returned to the front office before Friday 23rd May.

Please contact Linda in the front office if you have any questions regarding the Year 8 application process.

**WHOLE SCHOOL ASSEMBLY**

A whole school assembly will be held in week 1 of term 2 on Friday 2nd May at 9.10am in the school gym. It will be hosted by the student ambassadors. Parents and caregivers are welcome to attend.

**STAFF PROFESSIONAL DEVELOPMENT**

How are we addressing our strategic intention to integrate ICT more purposefully into our teaching and learning?

Teachers are engaging in workshops and conferences and sharing their teaching and learning with colleagues in the Digital media project to explore iPad resources and applications.

Staff members are exploring 21st century skills and Australian Curriculum General Capabilities through Microsoft Partners in Learning - 21st Century learning design program. A Peer coaching course will assist teachers to plan, implement and moderate units of work using design rubrics to promote innovative teaching and learning.

These 21st century learning designs of collaboration, ICT for learning, skilful communication, knowledge construction, self-regulation, real-world problem solving and innovation will be further explored next term.

R-7 teachers are developing online classroom communication platforms, namely weebly and edmodo to share teaching and learning topics and activities. Students can share their work, teachers can respond to student queries, parents can ask questions provide feedback and collaboratively contribute to their classroom learning community.

Our Australian Curriculum Co-ordinator Ann Brown is continuing to work with teachers in teams to help with the familiarisation of the Humanities and Social Sciences learning areas and to plan the next Gums Partnership Pupil Free Day.

**WHOLE SCHOOL ITALIAN INCURSION TERM 2**

On Friday, 2nd May East Adelaide students (R-7) will be attending an Italian Performance entitled “Time Warp Part III – Vacanze Romane” which is the final instalment of a trilogy of performances which the students have watched previously.

Claudia (the main character) is back for her third and final adventure!

This year Claudia is heading to Rome! But instead of using a spell to get there, she has won herself a return flight on a new game show, “Who wants to win a trip to Italy?” As a bonus, they have included a one day motorino hire... and Claudia can't wait to drive around and discover the sites.

From the Trevi fountain to the Pantheon, flooding Piazza Navona for an amazing Naval battle, putting herself in Michalangelo’s shoes at the Sistine Chapel and finally getting a chance to visit the Stadio Olimpico, home of her favourite soccer team A.S. Roma, Claudia’s third and final adventure is just as fun and interactive as her last two.

The show is fun and extremely interactive with plenty of singing and dancing! The aim of the performance is to help familiarise the students with the Italian language through catchy songs.

There will be two performances:

1.30p.m. – 2.20p.m. (R-3) students
2.25p.m. – 3.10p.m. (Year 4 – 7) students

Payment for this performance will be deducted from each student’s excursion levy.

**NEW SCHOOL WEBSITE AND KONNECTIVE PHONE APP**
Our school has been working with DECD to create a new website. The address for the site is www.eas.sa.edu.au and we encourage families to have a look at the site to keep up to date with what is happening in our school. Some areas of the website are still to be finalised and we will continue to add information to improve communication and promote activities at school.

On the front page you will find that our school now offers Bizgate for paying school fees. Bizgate is a South Australian Government online payment system provided by Services SA. This facility is available to schools and enables parents/caregivers to make payments using their Visa and Mastercard credit/debit cards over the web. Instructions to assist families with paying fees online using Bizgate are included with this newsletter. The ability to pay OSHC fees using Bizgate will be available soon.

An additional communication tool we are offering families is Konnective which is a free mobile app solution that will allow us to communicate with you, our parents, straight to your smartphone. We will send news, events, photos and more so that you can be even more connected with your children’s activities and events at the school. Using the Konnective app, you can add events directly to your phone’s calendar, set reminders for things you need to do and receive important alerts (similar to a text message) as soon as they are released.

We encourage all families to join Konnective and have included instructions on how to register and log in with this newsletter. Please contact Linda in the front office if you require further information.

**OUT OF SCHOOL HOURS SPORT**
CONGRATULATIONS to all the sport stars who have participated in After School Sports this term. We have had some great feedback from coaches and love hearing that everyone has had fun as well as learning new skills and forming great friendships.

A very big thank you to all the coaches/volunteers who make these sports seasons happen. Your support is vital in being able to offer these programs and is very much appreciated. As a coach, it is important to reward effort as well as outcomes and to be inclusive, fair and just. Junior sport should be fun, safe and enjoyable. Coaches are good role models for students and promote the school values of respect, relationships, responsibility and resilience in order to show sportspersonship. Together we are not only creating future sports stars but are inspiring our compassionate, creative and engaged citizens of the future.

CONGRATULATIONS to the 2013/2014 Sub Junior 3 Netball team for winning their Grand Final. Well done girls, what a fantastic effort.

All winter season team information has been distributed and if there are any queries please contact Bree via email bree.harper794@schools.sa.edu.au

Early in Term 2 we will conduct an information session for coaches and further information will be available in the next newsletter.

Have a great holiday break. See you in Term 2.

**VOLUNTEERING IN OUR SCHOOL**
We value parents, grandparents and community members who are prepared to volunteer as classroom helpers, on committees or as coaches in the After School Sport Programme. The DECD Volunteering policy requires volunteers to have a Child-related Employment Screening through the Department for Communities and Social Inclusion (DCSI). Only the DCSI screening is acceptable and forms are available from Linda in the front office.

Volunteers are also required to attend a RAN (Reporting, Abuse and Neglect) and volunteers training.

Dates for term 2 are:
Thursday 1st May at 9.00am
Thursday 8th May at 6.00pm
Thursday 26th June at 6.00pm

Please email Linda if you would like to attend linda.fehlandt511@schools.sa.edu.au

These will be the final training sessions offered for the year. All of these expectations are aimed at keeping our children safe.

**DONATION REQUEST**
The fridge in Heysen Building has broken down and is unable to be repaired. We are wondering if there is anyone who has a spare full sized fridge which they do not require and are willing to donate to the school.

Please contact Carmel Nicholson in Room 10 via email carmel.nicholson604@schools.sa.edu.au if you are able to help.

True North Youth Theatre
A Sense of Home, presented by True North Youth Theatre, has won the prestigious graham Smith Peace True Award, Adelaide Fringe 2014. This is an enormous achievement considering the company was established less than a year ago. This was the first stage performance for Caellung R, Thomas H and Tegan R, all East Adelaide School students. Well done!

The students in Rooms 17 and 18 visited the Maritime Museum in Week 9 to support their learning about early sea explorers as well as visiting some associated places such as a harbour and a lighthouse. Room 18 children have been writing information texts based on the excursion.

“The Maritime Museum is at Port Adelaide and is about the sea and what's in it. It has 3 levels and lots of interesting things such as Matthew Flinders’ ship’s anchor. The Maritime Museum also houses things such as plaques, artifacts and more. It has a replica boat that you can look in as well. On the right side when you walk into the area with the boat, you can see figureheads too.”

“The Maritime Museum is a place that has lots of artifacts about explorers, figureheads and sea animals. It is a very interesting place to go. There are three levels about explorers and a cabin that are in ships. This place has different things about history. The Maritime Museum is in Port Adelaide in South Australia.

“The lighthouse at Port Adelaide is a place that is just a couple of blocks away from the Maritime Museum. It was a very tall tower that let out a strong beam of light to the sea to help ships and boats to get to the harbour safely without hitting rocks at night time.”

*Andres*

“From the boat you could see two bridges, the City of Adelaide and lots of boats. The boat was called Archie Badenoch. It could hold 24 people.”

*Axel*

“Lighthouses mostly are made of stone and concrete, they have a powerful light at the top to guide ships into the harbour at night. Lighthouses are very tall and have lots of spiral steps inside. From the top of lighthouses you can see a very long distance away. Mostly the lights flash red and white but all lighthouses have a different way of flashing. The lighthouse at Port Adelaide is on the wharf.”

*Rosie*

“The Archie Badenoch is a small boat that has had many jobs over the years. It is named after Archie Badenoch who was a policeman who served and died in the war.”

*Liam*

“The explorers you will see; have charted most of Australia. Matthew Flinders is well known for his exploration of South Australia. Flinders mapped the south coast of Australia, he also travelled around Australia. He sailed on the H.M. Investigator; Matthew Flinders was captain of the ship. However, his partner, George Bass, disappeared mysteriously. Now in the museum, you can find the remaining anchor and plaque by Matthew.”

*Yuhan*

“The performance was on a ship. A person was pretending to be Captain Matthew Flinders. He even tried to talk like Matthew Flinders. He sang a lot and there was lots of music. He brought two puppets out. The ship was really big.”

*Anita*

“The performance was to show people about Matthew Flinders’ life at sea and how he lost 8 crew members because their boat capsized and all 8 crew members drowned. People did not know how to swim, they had no swimming lessons. It was very sad for Matthew.”

### NEWS FROM THE LIBRARY/RESOURCE CENTRE

Congratulations to all those students who have committed to the Premiers Reading Challenge (PRC) again or for the first time. Students can obtain their Student Reading record sheet from their class teacher or parents can download a copy from the PRC website [http://www.premiersreadingchallenge.sa.edu.au/prc/](http://www.premiersreadingchallenge.sa.edu.au/prc/). The website is very comprehensive and quite easy to use. Students and parents can search the site for titles of books to read from home or public libraries.

PRC books in the library are graded into three levels; R-2 signified with a yellow sticker on the spine, 3-5 a green sticker and year 6-9 an orange sticker. Students pass in their record sheet to the library as soon as they have completed reading eight Premiers Reading Challenge books plus four free choice books. The latest date to accept student records is September 5, but they may be given to me as soon as they are completed.

Children have borrowed for the holidays, wishing all happy reading, a lovely holiday and a Happy Easter.

*Regards from Mrs. Andrea Tuck; Teacher Librarian.*
News Flash!
Easter Bunny confirms the old saying ‘practice makes perfect’, with the help of the students in room 13.
On Thursday the 10th of April Mrs. Vicki Angel and Mrs. Deanne Stephanos received a letter from Easter Bunny begging for the chance to practice an Easter egg hunt before Easter Sunday. The teachers and the students were very happy to help Easter Bunny practice.
He hid 20 eggs in the library (each one named for an individual student) and it was the job of the students in room 13 to find them. The students did so in quick time and thoroughly enjoyed finding every last egg. They gave Easter Bunny 10 out of 10 and are sure he will be successful on Easter Sunday.
