**FREE CYBER SAFETY PARENT INFORMATION SESSION - WEDNESDAY 11 JUNE 6.00-7.30PM**

**PRESENTERS: EVA BALAN-VNUK AND MARK PENNIMENT**

East Adelaide School will be hosting a ThinkUKnow presentation in the Library and all parents, carers and teachers are encouraged to attend. This presentation will cover topics such as how young people are using technology to have fun, online grooming, cyber-bullying, inappropriate content and e-security.

ThinkUKnow is an internet safety initiative which aims to raise awareness of the issues young people face online and whilst using mobile phones. It is a partnership between the Australian Federal Police (AFP) and Microsoft Australia, and is now proudly supported by ninemsn and Datacom.

This is a fantastic opportunity for you to learn more about how young people have fun online, how you can help them to stay in control on the net, and how to report a problem.

Some of the topics that will be covered are:

- Online grooming
- Social networking
- Protecting your computer
- Inappropriate content
- Instant Messaging
- Where to go if things go wrong
- Cyber-bullying
- Reputation Management

Bookings can be made by emailing linda.fehlandt511@schools.sa.edu.au or contact at school on 83621622.

For more information, you can visit the ThinkUKnow Australia website at www.thinkuknow.org.au

**Staffing update**

I am away on long service leave as of 23rd May returning as of the beginning of term 3. Dora is taking on the role of principal and Lucia is taking on the role of Deputy. At this stage we are undertaking a process to fill the role of Senior Leader. Parents will be notified once this process is complete.

**Sharing table**

Our sharing table is now almost complete. It is an incredible piece of art work which most children have contributed to. The next major art work to be completed is the friendship benches, one set in Yard A and the other set in Yard B. These will be concrete structures which will be covered with the remainder of the ceramic tiles our children have created. These benches are yet another aspect of the Master Plan coming to fruition. More photos will be shared via Konnective.

If you have not signed up for Konnective please see Linda about how to connect to a system similar to social networking where you can access good news stories, reminders about school events etc.

Digital membership is only available when purchased online https://www.entertainmentbook.com.au/orderbooks/16050y4

Did you know that our uniform order form is on our school website? This is available for busy parents who cannot visit our school uniform shop during opening hours. Complete your child’s uniform order, include credit card details overleaf for payment and then either email, fax, or leave the form at the front office. We will then process your order and send the items home with your child.

**AFTER SCHOOL SPORTS WRAP**

All teams have now commenced their season and there has been some fantastic feed back coming through about our **EAS SPORTS STARS**. Some of the highlights this week include **NETTA RED** showing some really fantastic defence skills against some very tough opponents. Ava from **NETTA BLUE** has been displaying some terrific listening to her coach allowing her to receive lots of passes from her hard working team. The **YR 2/3 BASKETBALL** has been sharing their goal scoring throughout their team and Phuong from **U/12 SOCCER** scored his first goal ever in a superb win against St Josephs Hectorville. Awesome!

Keep up the great team work **SPORTS STARS** and have another fun weekend of Sport.

On Friday, 2nd May East Adelaide students (R-7) attended an Italian Show entitled ‘Time Warp Part III – Vacanze Romane’ which was the final instalment of a trilogy of performances which the students have previously watched. The show was fun and interactive with lots of singing and dancing! Over the last week R-7 students have been reflecting on the performance in various ways. Here are some examples of the students’ reflections.

Who’s The Boss – Restoring the Balance

Presented by: Helen Kowalenko (Disability Coordinator)

As parents, we want to raise children who are happy, stimulated, enriched, treated equally and fairly, can express their feelings and be heard, and have positive self-esteem.

In trying to do this, what are the messages we are really giving our children??

This workshop will look at the changes that have occurred over the last 20 years in parenting and will explore how we as parents can achieve the right mix to having well adapted and less ego centric children. With parents who have regained their own sense of confidence to lead and guide their children to become caring and successful adults.

WHEN: Tuesday 27th May 2014
WHERE: East Adelaide School Library
TIME: 7.00 – 8.30 pm

If interested in attending workshop, please email Linda at Linda.Fehlandt511@schools.sa.edu.au by 9am Monday 26th May 2014
A MESSAGE FROM THE MINISTER FOR EDUCATION AND CHILD DEVELOPMENT

This week marks the 25th anniversary of National Volunteer Week, a time set aside to celebrate our volunteers and highlight the incredibly valuable work they do.

The Department for Education and Child Development is fortunate to have 25,000 volunteers who make life easier in our schools, preschools, children’s centres and child protection settings.

Today, I recognise and thank those volunteers - parents, grandparents, family and friends - all giving their time to ensure children are safe, supported and free to learn.

You listen to children read, join Governing Councils, fundraise, put your hand up for excursions, sports day and canteen duty, you ensure schools run smoothly and staff can focus on teaching. You provide the transport – some times over long distances - so children in care can make appointments and keep in contact with grandparents, aunties and uncles.

Our Ethnic Schools could not operate without the services of dedicated teachers who are volunteers. They give their time simply for the reward of sharing their knowledge, culture and heritage.

Thank you to all our volunteers who generously give their time, their skills and their enthusiasm to helping others. I assure you your contribution does not go unnoticed.

I hope, in amongst your volunteering, you find time this week to enjoy one of the many activities on offer, including special lunches and morning teas held by workplaces.

Thank you to all our volunteers for your patience, for listening, for caring, and for making the life of a child better.

Jennifer Rankine
