Teachers have been working on mid-year student progress reports which will be sent home with your child on Friday 4th July.

These reports indicate student progress over the first semester (terms 1 and 2) and comply with the Australian Curriculum and Government expectations of A-E grading or word equivalent for each subject area.

At East Adelaide we have agreed to use the word equivalent of Excellent, Good, Satisfactory, Partial and Minimal. The Satisfactory in our reports indicate to parents that their child is demonstrating work at the level expected for students in that relevant year level. In previous years there were several other indicators contributing towards the overall grade a child received including; effort, time on task and work completion.

Next term we have scheduled optional interviews which can be organised by either teacher or parent. If you have any questions, issues or would like more information about your child's progress please ensure that you make a time with the teacher directly.

If you would like a member of the leadership team present please negotiate that with us directly. Lucia line manages the teaching staff Reception and Year 1; Dora line manages the teaching staff Years 2, 3 and 4 Vicki line manages the staff of Years 5, 6 and 7. It is recommended that you meet first with the class teacher who is reporting the academic progress of your child as they are in the best position to elaborate on the written report.

Konnective is a new communication tool available to families. It is a free mobile app solution that will allow us to communicate with you, our parents, straight to your smartphone. We will send news, events, photos and more so that you can be even more connected with your children's activities and events at the school.

Using the Konnective app, you can add events directly to your phone's calendar, set reminders for things you need to do and receive important alerts (similar to a text message) as soon as they are released.

We encourage all families to join Konnective and have included instructions on how to register and log in with this newsletter. Please contact Linda in the front office if you require further information.
**QUIZ NIGHT DONATIONS NEEDED**

We are still seeking donations from the East Adelaide School community and friends for our silent and live auction. As our major fundraiser for the year, we need your support to help make it a success.

We welcome any donations including vouchers for the silent auction and goods that we can collate into baskets for the raffle. We are also after some major prizes for the live auction, such as holiday house accommodation.

In return, we will be promoting sponsors on the night to the 300 attendees and in the school newsletter. We will also provide a certificate of thanks for sponsors to display in their business premises.

Please email Karina at karinalumni@yahoo.com.au or Cleo at cleo@Colangelo.com.au if you can help out in any way.

**SAVE THE DATE**

Grandparents’ Day will be held on Thursday 18th September. Put it in your calendar and keep an eye out for further information in future newsletters.

**HAIR LARIOUS DAY**

The school ambassadors would like to thank everyone for their support of our recent fundraiser. Our school raised $350.70 which will be donated to The Childhood Cancer Association. This organisation provides educational support via home tutoring for children who are unable to attend school due to their cancer treatment.

**DEBATING NEWS**

East Adelaide Blue team debated against a team from St Peter’s Woodlands on Tuesday 24th July at Pulteney Grammar. The debate was extremely close. East Adelaide won by 0.2 of a point. Well done to Ceska Dullona, Lessa Monk and Solomon Segal.

**SCHOOL CROSSING MONITORS**

These students are the monitors on the school crossing for Week 10 in Term 2.

**OUT OF SCHOOL HOURS SPORT**

With Australia’s amazing win of World Cup Gold in the Men’s Team and Silver in the Women’s Team, Hockey is receiving some fantastic publicity. Maybe you could be a budding Kookaburra or Hockeyroo Superstar!

**Hook In2 Hockey** – Hockey SA skills development program is open for Reception to Year 3 students on Saturday mornings during Term 3. Included in the $40.00 cost of registration participants will receive a pack containing a stick, shin guards, mouth guard, ball and singlet. To register, please go to the website http://hookin2hockey.hockey.org.au and select Participant Registration from the register menu. Select H2H East Adelaide School. Please do not pay online. Payment along with registration forms are to be lodged at the uniform shop in the school office. **Registrations need to be in by 3rd July to ensure kits arrive before Term 3.**

**Soccer skills and Netball skills** sessions will also be on offer again for Reception to Year 2 students in Term 3. Please register before the end of the term. Forms are available for download on the school website or collect one at the front office.

What amazing sporting viewing and results we have had available recently with World Cup Soccer, State of Origin NRL, Hockey, Tennis and AFL. All shining a spotlight on how sport brings people together and is such a positive and influential social and physical activity. I am in awe of those playing but more so of those who have set their alarms and got up in this freezing, cold Adelaide weather to watch, brrr! I hope it is inspiring many young future sporting champions to enjoy all it has to offer. Have another great weekend of watching and playing sport and try to stay dry. Go Crows!

**LOST PROPERTY**

Families are reminded to search the baskets located near the toilets in the foyer of the double storey classroom block for any missing clothing items. We also have a collection of non-clothing items held in lost property at the front office. See Linda at the reception desk for assistance with these items.

**GRADUATION TOP FOR SALE**

We have one remaining short sleeve Year 7 Graduation polo top for sale in size 14. Cost is $45.00. See Vicky in the uniform shop if you would like to purchase it.
On Wednesday the 25th of June, the Term 2 Musical Evening was held in the gym. It was very successful and we had a great time hosting it. All the students performed well and had lots of fun. We would like to give a big thank you to all the music tutors and a massive thank you to Miss Larissa. We would also like to thank parents, friends and families that came to support the students perform.

### ACTIVITIES IN PERFORMING ARTS

#### Drama

In Drama lessons our focus has been on developing characterisation. Younger classes studied characters from *Snow White* and older classes looked at characters from *The Wind in the Willows*. In groups the students discussed the different personality traits of a chosen character and how their actions and reactions influenced the story. The groups then made Character Trait Cubes, recording each of these traits. When sharing the students had to give evidence as to why the characters displayed these traits.

Year 5, 6 and 7 students have been working on improvisations with given characters. Groups had to work out a believable storyline with characters from different occupations. It has been wonderful to see the highly creative and entertaining improvisations that were performed by the students.

#### Music

In Music lessons this term, students learned how to write and recognise simple notes on a musical staff. We created our own musical note sequence using percussion instruments, recorded them in our books and performed them to the class.

As our school has had an Environmental focus this term, students have also written lyrics to create their own ‘Environmental Songs’. Each song had to educate a wider audience of an environmental issue to make a difference. These were then performed to class members.
For **Reconciliation Week**, students listened to Archie Roach’s emotional song, “Took the Children Away”.

Students were asked to discuss the issues of the Stolen Generation and record the visual imagery from listening to the song in their books. Some of these illustrations were incredibly powerful.

**Ovation Workshops**

This week Jamie Harding from Ovation Theatre Company worked with the years 3, 4 and 5 students. His workshop, “Working with the Camera” involved the students looking at different film shots. Each class worked in small groups to advertise a chosen product in a ‘Mid Shot’. These short performances were filmed and then watched to understand each character’s place within the shot.

Some classes also looked at ‘Over the Shoulder’ shots. Two students were selected to demonstrate this shot, which was filmed and at the same time viewed by the class. We discussed when to use all of the different shots covered during the workshop.

“I really enjoyed it that we all had a go at making our own add.” *James, Room 26*

“I liked working on my acting voice.” *Taylor, Room 26*

“I enjoyed learning about the different film shots and doing Mid Shot plays.” *Brendan, Room 17*

“I liked drawing the Shot List.” *Cole, Room 17*
