FROM THE PRINCIPAL

QUIZ NIGHT
Wow! What a night of Grammy fun and along the way we managed to raise $19,800 for the school. Metallica took out the coveted prize for the night winning the Golden Grammy.

Once again the Quiz Night Committee and the Parents and Friends Committee worked tirelessly over the past 8 months to bring this wonderful event to fruition. The money raised will be put towards further bringing our outdoor master plan to life; and continuing to establish an outdoor learning area that our students will gain greatly from exploring and creating in, as we construct an extension of the indoors learning spaces into the outdoors.

Past fundraising efforts have brought to life the outdoor learning area including the sandpit out in Yard A, the Matrix in Yard B and asphalt stencilled games (which will be completed in September). These items alone have cost beyond $80,000.

Take a look at the photos in the insert.

Planning for 2015
Term 3 is the time we begin planning for the following year. Enrolments are critical to our staffing formulae and to support forward planning, could you please either contact Linda via email linda.fehlandt511@schools.sa.edu.au or complete the slip included with this newsletter to inform us if you will be leaving our school community. It would be most helpful if we received this information by Friday 5th September.

Class placement information for 2015
Information on the class placement process for 2015 has been uploaded to our school website http://www.eas.sa.edu.au/parent_information/policies_procedures.htm. Parents are requested to read the information fully and complete the class placement information form if you wish to provide information regarding your child/ren for 2015. Hard copies are available at the front office. Forms are to be returned the front office by Friday 19th September.

Have you signed up for Konnective yet? To start receiving East Adelaide School news, events, reminders and alerts directly to your smart phone, sign up to be a part of our Konnective community.

Using the Konnective app, you can add events directly to your phone’s calendar and receive important news and alerts (similar to a text message) as soon as they are released. Register to start using Konnective at http://www.konnective.com.au/register.

- Moon Thai Restaurant

Thank you to everyone who came and supported our biggest fundraiser for the year. The night was a great success thanks to the wonderful support of our school families, communities and local businesses.

Special mention to the scorers; Julie Hannah from the canteen and teachers, Eric Kiploks, Dean Davis and Mark Vigare, quiz master Alex Reade, auctioneer John Riggall, The Goulash Project band and Lisa Thornley and Vicky Zappia from the front office.

*We raised $19,800 for East Adelaide School - a fantastic effort by all involved!*
**Father’s Day Stand**

The P&F will be holding a Father’s Day stand over two days, Thurs 28th & Fri 29th August, where children can purchase a small gift for their fathers or caregivers. All items will cost $4 each. Notes have been sent home with students this week. Please check with your child’s teacher to confirm which day they will be attending the stand.

**Important dates to put in your diaries**

<table>
<thead>
<tr>

**LOST PROPERTY**

The lost property baskets were sorted on the pupil free day and named clothing items were returned to students. School jumpers without names were placed in the emergency clothing supply. If your child is missing a jumper, you are welcome to see either Linda or Vicky in the front office to check these items. Parents are also requested to check their child’s clothing to ensure they are not wearing an item which belongs to another child.

**Whole School Assembly**

A whole school assembly will not be held in week 7 due to the School Closure Day on Friday 5th September. It will be held in week 8 on Friday 13th September.

**Are you a mum of East Adelaide School who is keen to inspire young people to take up science in the future?**

Then we are interested in finding out if you are in an area which uses science as part of your work.

Let us know what job you do or have done and if you would be interested in coming in and spending some time with our students, in particular girls, to talk about your career in areas that involve science and what skill set you needed to assist your career choices.

Email me directly at Vicki.stravinski406@schools.sa.edu.au
AFTER SCHOOL SPORTS

With winter season heading towards finals or finishing up, I hope that all our sports stars have had tonnes of fun, made some new friends and increased their confidence in a chosen sport. Social skills, cooperation, commitment and team work are just some of the valuable, transferrable life skills that are extended through being part of a school sporting team. Physical fitness and skill development are just the added bonus. It is fabulous to know that our EAS Sports Stars are gaining so much in so many areas of life, all while developing a life time love of playing sport.

Summer Sport registrations will close Monday 8th September. Forms can be downloaded from the school website or collected from the front office.

Year 2 - 7 Netball registrations closed yesterday, 21st August. If you have missed registering for netball, please email me ASAP. Bree.harper794@schools.sa.edu.au

SEARCHING FOR SUPER STAR COACHES

With Summer Sport registrations flooding in, I am looking for courageous and cool volunteers to take on some coaching roles for our EAS sports stars. Teams requiring coaches include Netball (Primary Division) Basketball, Cricket, Cheerleading and the Netball and Cricket skills sessions. If you are interested in coaching please contact me. No experience necessary, just loads of enthusiasm and energy required.

SPORTS WRAP

Below is our EAS Year 5/6 Girls SAPSASA Basketball team made up of Tiam, Emily, Kiara, Hannah, Hanna, Lara, Sophie, Elen, Taya and Stephanie. The girls enjoyed a fun day at the SAPSASA carnival in week 3 this term.

The EAS UNDER 8 SOCCER team is having a fantastic season and are currently unbeaten. T.J. and Foti are always reliable with their great goal scoring however a big WAY TO GO this week goes to Isabella who scored her first goal ever. Well done to all players.

Have another fun weekend of sport and I ask everyone to please keep their fingers crossed that the Adelaide Crows can hang on to a top 8 position.

Bree Harper
After School Sports Coordinator
Bree.harper794@schools.sa.edu.au

SCHOOL CROSSING MONITORS

These students are the monitors on the school crossing for Week 6.

COMMUNITY NEWS

Aroonas is a long-running social and activity group involving fathers and their daughters of primary school age. The group has had some recent graduate-retirements and is seeking new members. Approximately once a month on a Monday night we meet at a different member’s house for activities including story reading, a song, news, a project/craft, with a few additional excursions throughout the year for bowling, pizza/dinner, a barbecue and sometimes a camp/night away.

Any father-daughters who would like to find out more are invited to call the current Aroonas’ ‘Captain’ Julian Rutt (father of Indigo) on 0422 305 099.
For Science this term the Year 1 students have been observing and recording ‘changes in materials’. The children explored and described the properties of cooked and uncooked spaghetti. As part of their exploration, they had fun creating annotated drawings using cooked spaghetti and building towers with uncooked spaghetti and marshmallows.

In order to assess students’ understanding of their learning (formative assessment), they were asked to answer the following questions:

*What are the differences between cooked spaghetti and uncooked spaghetti?*

‘Cooked spaghetti is soft and uncooked spaghetti is hard.’ Christina, Room 16

‘The cooked spaghetti is hard and uncooked was soft.’ Parker, Room 15

*What happened to the spaghetti for it to go from hard to soft?*

‘The hot water when we cooked it made it soft.’ Maddy, Room 16

‘We boiled it.’ Elijah, Room 15

*Why did we use uncooked spaghetti and not cooked spaghetti to make the 3D shape?*

‘Because, if it was cooked it would fall and become a 2D shape.’ Mara, Room 16

‘No, because it would fall down and be mush.’ Grace, Room 15

*If we ran out of uncooked spaghetti can we change the cooked spaghetti back?*

‘No, because it would not change back.’ Madison, Room 16

‘No, because it is cooked and it can’t be changed back.’ Kane, Room 15

Investigations in Year 1

This is a developmental play learning time, when students explore, experiment, discuss, negotiate, invent, design, make and use their creative thinking and getting along skills. Teachers observe and offer guidance when needed, help children sort through social problems and ask them questions about what they are working on.

All year 1 classes offer these sessions a number of times throughout the week. Investigations are based on “The Walker Learning Approach” which is an Early Years’ approach to learning in the classroom.

Here are some photos taken during our investigation sessions.
As part of our book week celebrations, the students in Rooms 7, 8, 15 and 16 went on an excursion to the Maritime Museum.

Children were able to 'Connect to Reading' through small group story telling sessions led by a lovely lady, a lighthouse keeper and a pirate.

We enjoyed listening to 'How I Became a Pirate' by Melinda Long, which tells of a young boy with a big imagination named Jeremy Jacobs who became a pirate for the day and learnt Pirate language like ‘land loving’ and ‘scurvy dogs’! 'The Lighthouse Keeper’s Cat' by Ronda and David Armitage was about a well fed lazy lighthouse cat named Hamish who realises there’s no place like home. 'There’s a Sea in my Bedroom' by Margaret Wild is a story about a boy who overcomes his fear of the ocean after it escapes from a seashell and he ends up with the whole ocean in his bedroom!

The children also had fun dressing up and engaging in imaginative play in 'The Rockpool'. We enjoyed exploring the museum and saw many wonderful, interesting things about the sea and Australia’s maritime history including: going on board a replica ketch, bedrooms from various ships over time, a range of artefacts and dolphin information. After climbing 69 steps we made it to the top of the lighthouse where we could see the city of Adelaide!

Thank you to all the volunteers who were able to come and help support with supervision for the excursion. It was greatly appreciated.
PLEASE FILL IN IF YOUR CHILD/CHILDREN ARE NOT RETURNING TO EAST ADELAIDE IN 2015

Keeping safe in cyberspace: what every parent should know is a free conference, with lunch provided, on Wednesday 27 August, 9.30am-4.00pm. All parents are welcome to attend. Susan McLean, Australia’s foremost expert on cybersafety, is the keynote speaker; other speakers will talk about DECD policies for schools, how one school has addressed this issue, and the Know before you load app review service.

For more information and for the registration form see www.saaspc.org.au or call 1800 724 640
