Chickenpox

There has been a suspected case of chickenpox in our school. Symptoms include slight fever and cold-like symptoms, followed by a rash. Incubation period (time between becoming infected and developing symptoms) is usually 2-3 weeks. Infectious period (time which an infected person can infect others) is from 2 days before the rash appears until at least 5 days after the rash first appears and all blisters have crusted over. If you have any concerns regarding your child’s health, please consult a medical professional.

Community News

Woolworths Earn & Learn is back and it is now easier than ever to earn valuable resources for your local primary school, secondary school or Early Learning Centre. Last year more than 14,500 schools and Early Learning Centres benefited from the program, boosting supplies in classrooms, libraries, music rooms, gymnasiums and science labs.

It’s simple to participate. From Wednesday 15th July to Tuesday 8th September 2015, when you shop at Woolworths you can collect Woolworths Earn & Learn Stickers from the checkout operator or through an online order and place them on a Woolworths Earn & Learn Sticker Sheet. There’ll be one Woolworths Earn & Learn Sticker for every $10 spent (excluding liquor, tobacco, and gift cards). Once completed, simply place the Sticker Sheet in the Collection Box located in the front office.

Happy holidays everyone!

I have had a great week at East Adelaide School. My favourite part was going on the excursion with the year 6/7’s to the Norwood Concert Hall, where we saw their fabulous artwork on display as part of the “Art from the Heart” fundraiser which is raising money for poverty stricken schools in India. I was so impressed and proud of the student’s attitude towards helping this amazing fundraiser, they have really done their school proud. I can’t wait to see how the funds raised will help those schools in need.

As we head into the holidays, take some time to relax and reflect upon all of the amazing things you have all achieved this term and think about what you want to accomplish in term 3, no doubt it will be a great term full of fun and learning.

For any parents and families who wish to know a little more about me and my role at the school, I will be speaking at the Week 1, term 3 assembly on Friday the 24th of July.

I hope all staff, students, parents and families have a safe and refreshing break, and I look forward to seeing you all in term 3.

After School Sport

The Year 2/3 Soccer Team has been working hard at practice, and it is starting to show at soccer games. Last weekend on the 27th of June, Isabella and Bill were top scorers, with two goals each, and Seb also contributed with goal to extend the EAS lead to 5 - nil by the final siren. What a fantastic way to end Term 2! Continue with the hard work into the second half of the season.

The Year 2/3 Football Team has stepped up another level, with the boys working well together and enhancing their handball skills. Play of the day went to Jay who scored his first ever goal in a football match, and then backed it up with a second for the game. Congratulations to Jay and the entire Year 2/3 Football Team.

I am so impressed with all the students from East Adelaide School. I have heard amazing stories from coaches, parents and teachers of students shooting first goals, working together, and doing our school proud. I would like to congratulate all the students who have participated in After School Sports this term, and I hope we can continue to work hard in Term 3. Well done!

Finally, thank you to all the coach volunteers this term! You have all been fantastic to work with, and I hope we can continue to work together in the near future. I wish you a relaxing and enjoyable break over these school holidays. Congratulations on your efforts!
