Welcome new admin staff
We have two new administration staff working in the front office area most days of the week. They are Rebecca Waddingham and Justine Smythe. They are joined by Jenny Morey most afternoons. You may know Jenny as the SSO in the resource centre.

Vicky Zappia is now our new business manager as Lisa Thornley has moved interstate with her family.

School Starting Times
School is open for children as of 8.30am and not before. There are far too many children on our school site prior to teachers being on duty therefore placing them at risk. Please remind your children to leave later each morning.

Learning for Life
Welcome new admin staff

Student Progress Reports
Mid-year student progress reports will be sent home with your child on Friday 3rd July.

These reports indicate student progress over the first semester (terms 1 and 2) and comply with the Australian Curriculum and Government expectations of A-E grading or word equivalent for each subject area.

At East Adelaide we have agreed to use the word equivalent of Excellent, Good, Satisfactory, Partial and Minimal. The Satisfactory in our reports indicate to parents that their child is demonstrating work at the level expected for students in that relevant year level. In previous years, there were several other indicators contributing towards the overall grade a child received including; effort, time on task and work completion.

Next term we have scheduled optional interviews which can be organised by either teacher or parent. If you have any concerns related to your child’s progress, please ensure that you make a time directly with the teacher. This is an opportunity to discuss the child’s mid year report.

Dogs on School Grounds
Dogs are not permitted on school grounds due to the threat they pose to children. This is a directive from DECD. Please ensure that they stay outside the school grounds, if you have come to collect your children after school with the family.

School Canteen Employment Opportunity
Governing Council is advertising an 8 hour/week vacancy for term 3 for a casual employee.

Applications close 9am Thursday 2nd July. Please address your application to The Principal, East Adelaide School.

Please call in and see Linda for a Job and Person Specification and for further information regarding the position, please call Vicki Stravinski on 8362 1622.

Don’t forget…..wear RED on Friday 3rd July and bring a gold coin to support the Salvation Army
Important Dates

Excursion Dates

ICAS ENGLISH
TUESDAY 28th JULY

It is against the road rules to park and leave your car in the pick-up and drop-off zones on Second and Third Avenue. Please don’t double park.

THINK CHILD
PLEASE SLOW DOWN
Hello students and families

I can’t believe we have almost reached the end of term 2; time is flying by!

This first term has been so rewarding for me as a new member of the school community. Everyone has been so friendly and supportive, I feel really lucky to be working alongside such a welcoming school community.

This term, my focus has been on spending time in the classrooms to support both teachers and students as well as just get to know everyone and let them know a bit about my role here at the school. I have also begun to implement some lunchtime activities for students which have been really well received and have provided opportunities for students to develop new friendships outside of the classroom. I have been fortunate enough to begin connecting with some local community groups and support services to help build community support for the school and to investigate opportunities for our students to support those community groups. This is a project which I will continue working towards in term 3.

My term 3 focus will remain on working with our students and teachers in the classrooms, implementing lunchtime activities for students, building relationships with the community and I will also be placing a focus on getting to know the parents and friends of East Adelaide School.

In term 3, my days onsite will be Mondays and Tuesdays. Please feel free to come and say hello.

Have a restful and fun filled holiday break, and I will see you all in term 3!

Amy
Pastoral Support Worker

School Sores (Impetigo)

There has been a confirmed case of School Sores in our school. Impetigo appears as a flat, yellow, crusty or moist patch on the skin, usually on exposed parts of the body such as the face and legs. The sores are often greater than 1cm in diameter.

Incubation period (time between becoming infected and developing symptoms): 4-10 days.

Infectious period (time during which an infected person can infect others): As long as there is discharge from the sores, School sores are extremely contagious.

If you have any concerns regarding your child’s health, please consult a medical professional.

---

2015 Entertainment Books

The 2015 Entertainment Book is now available for purchase. Books cost $65.00 with $13.00 from each book going towards school fundraising.

The Entertainment Digital Membership puts the value of the Entertainment Book into your Apple or Android smartphone. This is perfect for people on the go, with no card or voucher to present. Digital membership is only available when purchased online www.entbook.com.au/16050y4

Books may also be ordered online and collected from the school or purchased through the school uniform shop during opening hours.
Parents/Carers now have the option to purchase ACER or HR Devices which will be imaged with East Adelaide School programs, licensing and Microsoft Security Essentials and delivered to your home.

Visit the website EAS.IPPartners.com.au to place your order.

**ACER Iconia Tab SW5-011 (Switch) $659 (inc GST)** includes a touch screen tablet with a detachable keyboard. ACER Switch Case (Black) $43. Warranty 3 years on site next business day.

or

**ACER B115 Touch $813.00 (inc GST)** non-detachable touch screen lap top with slightly enhanced specifications. 12” Everki EVA Hard Case $40. Warranty 3 years on site next business day.

or

News from Greek First Language Maintenance and Development Program

During term one and two, in Greek we have continued learning the Greek alphabet, practising, talking and writing in Greek. We have revised the colours, opposite words, the days of the week, the months and the seasons. We also focused on our National Day- 25th of March 1821, Easter and Mother’s Day.

On the 2nd on April, the older students had the opportunity to visit St Basil’s Nursing Home. There they were taught how to make crosses for Palm Sunday. They had a great experience.

The year 3-7 classes have also started working on a project about Greek Gods and Heroes.

“We enjoyed going to St Basil’s Nursing home and found it very interesting. It was great making crosses for Palm Sunday.”
Vasileia and Maria (Year 6)

“We have learned about the seasons and also visited St Basil’s Nursing Home where we learned how to make crosses from reeds for Palm Sunday. It was fun.”
Nikoletta, Ella-Rose and Evangelia (Year 6)

“We have enjoyed learning to speak and write in Greek as well as working on our Hercules project.”
Lucas and James (Year 6/7)

The younger students have also been learning Greek songs and games.

Here the students are having fun playing the game “Poudo Poudo to thaatilithi”- The ring game.

Patrina Andonopoulos
Teacher of FLMD Greek

Salvation Army Blanket Appeal
It's that time of year when the temperature drops and we all like to rug up. Could we spare a thought for those in our community that do it tough and don't have the blankets to rug up in and donate a blanket to the Salvation Army Blanket Appeal. Please go through your linen cupboard and if you have a blanket or two to spare, drop them into us between 8.30am to 9.15am; last day to donate in Monday 29 June 2015. The school ambassadors will collect from the front office. Help us help others.
School Ambassadors
After School Sports Wrap Up

The Sub Junior Blue Netball Team had a nail-biting win over the Comets recently. For the majority of the game, the team showed fantastic team work and determination for the ball, which resulted in EAS having a well-deserved lead going into the fourth quarter. However, in the last quarter the Comets made a strong comeback shooting 9 goals. Luckily, they did not catch the EAS score. Congratulations to The Sub Junior Blue Netball Team for their positivity and determination to play hard for the ball right until the final siren.

The Primary Blue Netball Team has been working hard as well. Coach Cathy has been so impressed with the level of maturity by the entire team during training sessions. The team will automatically warm up and start stretching without needing to be asked. Keep up the fantastic work!

There was a showdown match between the two Year 2/3 Basketball teams from EAS last week. It was a close match the entire way through, with both teams playing extremely well. Coach Helen was so proud of her EAS White Team for continually fighting for the ball, running hard and showing fight like never before. The EAS Blue Team came out on top with the narrow win. Awesome work from both teams from EAS!

Finally, congratulations to The Year 4/5 Football Team who had their first win last weekend. The entire team have been working extremely hard under the guidance of Evan. Well done to the Year 4/5 Football Team.

I am so impressed with the students from EAS for their determination and sportsmanship in After School Sports for Term 2. I hope we continue to keep up the awesome work in Term 3!

Register Interest to Coach in 2015

To register interest in coaching a team please visit the EAS website and complete the short survey http://www.eas.sa.edu.au/parent_information/after_school_sports.htm or contact me directly through email.

Term 3 Sports Enrolments

We are now taking enrolments for our skill sessions in Soccer and Netball for Term 3. If you would like to take part, please collect a registration form from either the front office or by downloading it from the EAS website. Enrolments close 23/07/15.

After School Sports and OSHC

Students who attend OSHC and participate in After School Sports need to ensure they sign in and register their attendance at the OSHC office in the first instance before participating in any activity relating to After School Sports. If I could please ask that you remind your children to always sign in their attendance immediately after school and then proceed to After School Sports.

Collection of Trophies or Medallions

There is still time to collect your trophy/medallion for Summer Sports 2014/2015.
Respect  Responsibility  Resilience  Relationships

11 June 2015

Dear Parents / Guardian,

This is an invitation to participate in the Salvos’ School Red Day. This day supports The Salvation Army’s Red Shield Appeal, enabling the Salvos to continue assisting the most vulnerable people in our society.

As our young students learn more about social justice issues they often want to do something to help make a difference. Participating in the Salvos’ School Red Day is a fantastic opportunity for students to feel this is possible.

East Adelaide School students can participate in the Salvos’ School Red Day by dressing in casual clothes on Friday 3rd July adding a splash of red (such as a shirt, jumper, socks, cap, ribbons and other accessories). Please ensure students wear sensible footwear for the playground and PE lessons. To raise money for the Red Shield Appeal we ask that students bring a gold coin donation on the day.

We look forward to having fun, creating awareness and raising funds for such an important cause.

Warm regards,

Vicki Stravinski
Principal
East Adelaide School
In the last two terms, the students and I have learned about many different topics. We learned how to be healthy through healthy eating and sports.

Last week, we celebrated Duanwu Jie (the Dragon Boat festival). We shared the story of how and why we celebrate this festival. The students also made Dragon Boats as part of their learning.

I would like to say a special thank you to the families who provided the Zongzi (Sticky rice dumplings, wrapped in bamboo leaves) to share. The students and I really appreciated this support.

Mrs Chunghuei Johnson.
News from Italian First Language Maintenance and Development Program

Our weekly Italian First Language Maintenance and Development lesson for R-7 students provide identified students of Italian background with the opportunity for them to further develop their linguistic and cultural skills in a small group setting. Examples of the program’s learning outcomes include:

- Expand and develop background language
- Provide opportunities to actively use the background language
- Enable students to develop their sociocultural understanding
- Heighten self-confidence and self-esteem, thereby increasing opportunities to shape and maintain cultural identity
- Develop literacy skills
- Encourage students to value and learn languages
- Provide students with opportunities to develop creativity and have fun.

Here are some students’ Semester 1 reflections:

“I like learning Italian because it is educational and fun at the same time. We learn about culture, History and games and it is interesting. I think it is great to experience Italian things and it will help in the future.”
Isabella, Year 3

“I like Italian because it will help me speak to my mum and still be able to connect to my background.”
Bianca, Year 3

“Mother Tongue (Italian) is great because you can learn about a different culture. You can learn about numbers and their names, sounds, Grammar and much more. You get to do a test every few weeks to see what level you are at. It is fantastic! You do art, writing, reading, puzzles and learning about the Regions. We do so many things.”
Anika, Year 1

“In Mother Tongue we have learnt to make different things. We have learnt the alphabet and numbers in Italian. We did a test on how to spell the numbers in Italian.”
Corina, Year 1

“In Mother Tongue I have learnt how to start an ordinary conversation as if I were in Italia, instead of just saying, ‘Io sono Inglese’. I have learnt about the ‘definite article’. We have cooked traditional ‘fritelle’ and have gone to an Italian Performance that gave us an insight into Napoli, Italia.”
Chiara, Year 7

“In Mother Tongue this year I have learnt how to make ‘fritelle’ and how to write the ‘definite article’. I have also learnt how to use the infinitive verbs like, ‘abitare’ which means ‘to live’.”
Anastasia, Year 7

Tonia D’Aloia
Looking for something to do these holidays?

Then come to SciWorld’s Pop-Up Science Centre © and explore the world! It’s all at the Australian Science and Maths School located within the grounds of Flinders University, Bedford Park and is on Monday 13th and Tuesday 14th July!

For more information email SciWorld info@sciworld.org.au; phone 8302 3046 or see our website www.sciworld.org.au
