What makes a good school a great school?

The Governing Council has been discussing what makes a good school a great school and how do we know? We are keen to gather your feedback, therefore if you have a few minutes please add your thoughts to the following questions.

What are your thoughts regarding student achievement, what does quality teaching and learning look like now and in making a difference in the lives of your children, the provision of an environment that enables rigorous learning? Keep these guiding questions at the forefront of your mind as you go about responding to the questions.

- What is the difference between a good and a great school?
- What are the indicators of a great school and how will we know we are demonstrating these?
- What tells us that students are being challenged in their learning to the school is adding value to student achievement?
- What are your suggestions as to what more we can do to add value educationally in our quest for continuous improvement and in ensuring we are a great school?
