From the Principal

Recognition of all Volunteers
I take this opportunity to thank all our volunteers for the support they give our school.

We are forever grateful for the additional support you provide in classrooms, working in the canteen, coaching sports teams, listening to reading, attending excursions and camps, representing the wider parent community on committees, fundraising and more.

Thank you for being open to the partnership in educating your children.

Reconciliation Week
We celebrate Reconciliation Week from 27 May to 3 June. This year’s theme is Let’s Take the Next Step. This year we reflect on two significant anniversaries in Australia’s reconciliation journey; 25 years since the historic Mabo decision and 50 years since the 1967 referendum.

Come along to our Reconciliation Week assembly in Week 5 on Friday 2 June.

Term 1 Threats to EAS
As most of you would be aware by now through various media platforms, the culprit of the threats to schools interstate and SA, including to EAS, was caught in Victoria. He is a 17 year old teenager. He has been remanded in custody pending prosecution.

Supporting Students with Disabilities
East Adelaide School has been recognised for the work with students with disabilities, in particular with Max Price, by being awarded the School/Organization Award 2017 for whole-of-school support of a student’s right to communicate awarded by Isaac - International Society for Augmentative and Alternative Communication.

A sincere thank you to BJ Price for the nomination.

Walk Safely to School Day
Active kids equates to active learning minds. Friday 19 May is Walk Safely to School Day. We hope that your family was inspired to join teachers this morning and walk in from one of the local reserves. If not, why not plan to do a family walk over this weekend. It’s easy exercise and relaxing as well!

Music Evening
You are cordially invited to the East Adelaide School Musical Evening on Wednesday 28 June (Week 9) in our school Gymnasium. The evening will commence at 5.30pm. If your child has been learning an instrument through professional lessons for a year or more either at school or outside of school, he/she is welcome to present a short item. If your child would like to participate in the evening, please email your child’s full name, the name of the piece to be played and also the instrument before Friday 2 June to Larissa.Maher949@schools.sa.edu.au

Performing students will need to arrive 15 minutes before the concert to set up, tune and prepare. The East Adelaide Choir will begin the evening with two songs from the Festival of Music repertoire. We thank all parents, caregivers, family and friends for the support of our wonderful students, and we hope you are able to attend this celebration of their talent!

Traffic Management
Construction of the new 32 Bed Nursing Home at St. Basil Home for the Aged at 9 Winchester Street, St Peters is underway.

Works is being carried out between 7.00am and 5.00pm Monday to Saturday. Local traffic conditions will change slightly. A traffic management plan has been developed in consultation with The City of Norwood, Payneham and St Peters with the aim of minimising disruptions taking into consideration public and personal safety.

Each morning and afternoon many school children and families pass the construction site and look on with great interest. We have no problem with anyone watching activities going on within the site as long as this is done from a safe distance. As with any construction site, there are many dangers; our particular site has deep excavations which could result in serious injury if someone was to fall in. We have ensured that our site remains secure at all times to prevent unauthorised entry but understand that some children and adults can be more inquisitive than others.

Coombsbarei Constructions

Please slow down the speed of your vehicle when within the school zone and dropping off or collecting your children.

Please also follow the directions of our traffic monitors on Second Avenue.

Directional Boring Work at EAS
Directional boring work will be conducted on the planter boxes tomorrow, Saturday 20 May. As this involves heavy and noisy machinery, families are requested to keep away from school grounds for safety reasons. After School Sport skills sessions have been cancelled. Auskick and soccer skills on Barry Messner Park will continue as scheduled.
News from Pastoral Care

Being a parent is a very tough gig. It is a world that can leave us feeling confused and stressed by all the decisions we have to make about keeping our children safe, helping them manage their anxiety and being able to keep communication lines open. There are two wonderful resources that I can recommend and will continue to update over the year.

The first is [http://developingminds.net.au/blog/](http://developingminds.net.au/blog/)
This is the blog site for a leading Adelaide child and adolescent psychologist, Kirrilie Smout and Co. I’m a subscriber to her regular articles about parenting. One of her latest articles is “Helping Worried and Sad Children”. Her ideas are very practical and insightful.

Other resources available are the Parenting Easy Guides published by Parenting SA. The guides can be found on the Parenting SA website, some examples of many of them can be found on the Pastoral Care table in the Front Office with the yellow box. If you have any questions, please feel free to contact me at Kate.Brown251@schools.sa.edu.au

Parenting is an exciting, exhausting, confusing, funny, challenging time but we need never feel as though we are doing it alone. I’d love to hear about any other resources that you’ve found that have helped you.

If you have changed your address, phone numbers, emergency contacts, email address, work details or child’s medical information please make a notation on the print out and return it to the Front Office as soon as possible. If there are no changes, we would appreciate that you please return this print out signed to verify that we hold the correct and most up to date information on our system.
