What an exciting week Science Week was, with all the Science and STEM learning throughout the week and with our special visitors the Federal Minister for Education, Mr Simon Birmingham and the Director of CSIRO Education, Mr Marcus Zipper. The Minister and Marcus were very impressed with the student inquiry and design briefs that students enthusiastically shared, including Years 6/7, Year 2 and Year 3. They participated in an interactive webinar regarding Space exploration, established for the first time through the CSIRO. It was great for the students to see the Minister play the interactive games developed by students in Room 27 and learn about the programing behind virtual reality developed by Duncan C.

A group of students entered the Young ICT Explorers competition with successful results. Akshat S first place for his bird scarer, Ole W second prize in his division for his work on the eye gaze program for Max P, third prize given to Duncan C for his development for 3D spaces in Virtual Reality using a sophisticated coding program, People's Choice award (Voted by peers) John D, Alasdair R, Oliver R, Ryan V – Fitness Gaming: People's choice! An acknowledgement went to Mitchell S, Anthony S and Brendan H for their game, which impressed Marcus Zipper and the Minister the day before.

A job well done to everyone at EAS!

NAPLAN Results
NAPLAN reports will be sent home on Friday 1 September. I encourage you to spend some time talking through the results with your child in context of the greater learning that occurs in school and alongside the Term 2 report.
If you would like to further discuss your child's individual test results, please contact your child’s teacher and make a time to meet.

Enrolments for 2018
To assist us to effectively plan, it is important that we have accurate enrolment numbers of students for 2018. If your child will be leaving EAS at the end of this year, please inform Linda at the Front Office by Friday 15 September.
If you are a current EAS family and have a child at preschool who is commencing at EAS next year, you must complete an enrolment form ASAP to ensure their enrolment. Please contact Linda in the Front Office or via email if you require an enrolment form.

Feeling unwell?
Parents are asked to closely monitor their children’s health as there are a number of illnesses circulating. We are experiencing a high number of students presenting to First Aid, and ask that you keep children home from school if they are unwell. Students who have had gastro symptoms are to remain home until no vomiting or diarrhoea for 24 hours.

Classroom Access
Please note that classroom building doors are locked at 3.45pm. Parents who have meetings with teachers are to report to the Front Office on their arrival at school.

Homework Survey
Help the school review and improve our Homework Guidelines by participating in a short online survey. https://www.schoolsurvey.edu.au/s/Y2y2DVta
Encourage other parents at East Adelaide School to also do the same. The more people that complete the survey, the more accurate the picture of our School Community’s opinion will be formed to aid our review and improvement process. Survey closes Thursday 31 August.

Hats
Reminder – Children are to wear their hats as of 1 September (first day of spring). Hats are available for purchase online via Qkr! App or at the Cashier/Uniform Shop.

Book Drive – Book Week and Indigenous Literacy Day
Many families in Australia do not have books in their homes, and a lot of these are from Aboriginal communities. Following Book Week, and to recognise Indigenous Literacy Day, we are asking that students find a book that they no longer read, that is in good condition, and bring it in to Front Office between Monday 4 September and Friday 15 September. The books will be distributed to remote Aboriginal communities in the north. We hope to collect as many books as possible to improve the love of reading and the literacy of these children. Thank you.

After School Sports News

Winter Presentation Night
The After School Sports Winter Presentation Night will be held on Monday 23 October, Week 2 Term 4, from 6.00-7.15pm. Children who are currently involved in Winter Basketball, Football, Netball and Soccer will receive their trophies on the night. Invitations will be sent out to children before the end of the term.

Skills Programmes
Children involved in Basketball, Netball and Soccer Skills programmes in Terms 2 and 3 will receive their medals at their last skills sessions on Saturday 23 September.

Term 4 Team Sports
Registrations for all Term 4 Team Sports are available in the school foyer, sports office, via Konnective and the School Website. Sports include, Basketball, Cricket and Volleyball. Registrations close on Thursday 7 September.

Summer Netball
We have had a fantastic number of children register to participate in Summer Netball commencing in Term 4. The teams are currently being finalised. Information regarding team allocation, training times, uniform etc, will be sent out to registered players in Week 8.

Term 4 Skills Programmes
We are currently finalising our Skills Programmes for Reception to Year 2 students for Term 4. We will be offering Kelly Sports Multi-Sport Programme on Saturday mornings, Milo In2 Cricket on Sunday Mornings and looking at a few additional sports also. Details regarding the Skills Programmes will be released via the School Konnective App and will be sent out to all children in Reception to Year 2 classes in coming weeks.

Entertainment Books 2017/2018
We have now SOLD OUT of books at school, however for a limited time, everyone who purchases an Entertainment Membership (Book or Digital) through the Online Order Page, http://www.entbook.com.au/16050y4, will receive a bonus $10 Woolworths WISH eGift Card. Book memberships purchased through the online page have FREE DELIVERY available until the end of August. Father’s Day is coming soon and an Entertainment Membership is a great gift idea. Book Week Assembly Photos
Congratulations to our Boys and Girls SAPSASA Basketball Teams. Both teams competed at the Basketball Championships earlier this term, and played magnificently. Our Boys Team won four out of their five games to come 3rd, and our Girls Team won two out of the six to come 4th. A special mention to our wonderful coaches, Tom and Jarrod, thank you for all your mentoring and guidance, and thank you to all our parent helpers who helped score and cheer on the teams. It was a fantastic day!

**Athletics**
Next up in the SAPSASA season is the District Athletics Carnival. The Carnival will be held at Santos Stadium on Tuesday 5 September. Students will be competing in the following events; 100m, 200m, 800m, Long Jump, High Jump, Shot Put and Discus. Well done to all students selected, I am looking forward to seeing you compete.
