Festival of Music Performance
Sunday afternoon saw the School Choir perform at the Festival of Music. Congratulations to each of the students who remained dedicated to the practices throughout the year and for the fabulous performance on the night.

I thank Larissa Maher and Sandi McMenamin for their commitment to working with the choir. I thank the staff who were available to support students that afternoon, and parent volunteers who continue to support school programs and such events.

Enrolments for 2018
To assist us to effectively plan, it is important that we have accurate enrolment numbers of students for 2018. If your child will be leaving EAS at the end of this year, please inform Linda at the Front Office as soon as possible.

If you are a current EAS family and have a child at preschool who is commencing at EAS next year, you must complete an enrolment form ASAP to ensure their enrolment. Please contact Linda in the Front Office or via email if you require an enrolment form.

Attendance
Regular attendance at school is a life forming habit and one that the school and parents can work on in partnership. Good habits begin right from the time children start school.

It is important to ensure every individual is on time and seated in the classroom ready for learning at 8.50am.

Parents are reminded to call the school absentee number 8362 4164 anytime of the day or night and leave a message on the answering machine when their child is going to be absent from school. This system makes it easy for parents and the school.

As of next term parents will receive a text message when their child is marked absent without an explanation. Parents may reply to the text to provide a reason for the absence.

Congratulations
The East Adelaide chess team has won all rounds of the inter school championship and has made it to the state finals!

**Festival of Music**
On Sunday 17 September, the East Adelaide School Choir students participated in the Festival of Music at the Entertainment Centre. East Adelaide students were amongst the 1,000 students who performed for the first time at the Entertainment Centre due to renovations to the Festival Theatre. The commissioned work this year was based on ‘The Nutcracker’. It told the historical tale of the battle between the Nutcracker and Mouse King toys one Christmas Eve. Our students were highly disciplined on stage and sang so beautifully.

On behalf of the Choir I would like to thank all family, friends, parents, students and staff who came to support us on the night. A special thanks goes to our accompanist Sandi and also to David Dewar for his assistance with supervision backstage. We really appreciated your positive feedback and cheers as we exited the theatre.

Well done everyone!

News from Italian

Italian News:
In Term 3, we have used the concept of ‘Culture’ to organise our Italian language learning R-7. Our focus, ‘Un giro d’Italia’ (A trip around Italy) allowed the students to ‘escape’ to several Regions and Capital cities in order to experience Italy’s rich and unique culture.

Reception-Year 2
Students in Reception-Yr2 experienced their journey through Italy at various learning centres which allowed them to travel to the cities of Rome, Venice, Napoli and Pompeii. Using multimedia videos and authentic activities the children created a travel journal, using Italian language, depicting their learning and understanding of Italian culture and history.

Year 3, Year 4, Year 4/5
Students in this group researched several of Italy’s Regions and Capital cities with a focus on traditional food, celebrations, landmarks and historical features. They showcased their learning by creating a chosen text, e.g a travel brochure, poster or multimedia presentation applying learnt Italian language and cultural knowledge.

Year 5, Year 6/7
As a result of their travels to Italy, the Year 5 and Year 6/7 students experienced various facets of Italian culture through cooking activities and various artistic tasks that reflected Italian culture. They also wrote ‘postcards’ (using Italian language) about their visit to Rome.

On Wednesday 20 September the Year 6/7 students were fortunate to attend the Lavazza Italian Film Festival 2017 at the Palace Nova Cinema. The students watched an Italian film entitled ‘From Naples with Love’ (Troppo Napoletano). The film is an Italian comedy set in the city of Naples, depicting the neapolitan dialect and culture. This was a great opportunity for students to enrich their understanding of the diversity of Italian social structures.

This term we were also very fortunate to have, as part of our team, our Italian bi-lingual language assistant, Clorinda Bottalico and our fourth Year pre-service teacher, Vanessa Gentilcore, who enriched our program with their knowledge and assistance. Thank you, Clorinda and Vanessa, for your invaluable input in the Italian Language Program at East Adelaide School.
