From the Principal

Pupil Free Day—Deep Thinking for Deep Learning
Tuesday 27 February staff re-engaged with Lane Clark from Canada to continue our learning in Deep Thinking for Deep Learning; which assists teachers to further intellectually challenge learners, through the skills of critical and creative thinking and questioning.

Teachers have commenced trialling aspects of the new learning already, and will be communicating with our facilitator via Skype sessions throughout the year.

Lane will be with us again 22 October to work with a group of teachers we have been appointed to champion the work throughout the year, implementing and leading the learning with others.

Parent / Teacher Interviews
Parent / Teacher interviews are a vital avenue for staff to report student achievement thus far and for both parties to raise concerns they may have about a student’s progress. Many teachers include the voice of the student at the meeting which is a way of capturing the child’s voice in the process.

Interview week will be held during Week 8 this term starting Tuesday 20 March.

Further information regarding booking a time with your child’s teacher will be sent to you over next week. Late night interviews will be held on Tuesday 20 March.

Please also remember that you are encouraged to call a meeting with your child’s teacher at any time throughout the year to discuss your child’s progress, particularly if you have concerns.

In the past staff have made contact with families when they have had concerns and will continue to do so.

Induction Meeting for New Class Parent Reps
Please come and join me for an induction meeting of new class reps where I cover the role of the rep and respond to your questions and queries.

9am in the staffroom

Dates to Remember

Monday 12 March
Public Holiday – Adelaide Cup

Student Medication

It is a DECD requirement that we have a current Health Care Plan for all students at our school who need individual health care and support.

In cases where medication must be taken during the day, the following procedures apply:
- All medications, including those purchased over the counter, must be sent with a Medication Authority and a Health Care Plan. They must be in the original container with a chemist label detailing the child’s name and dose.
- Medication is stored in the First Aid Office with the exception of students in Years 3 – 7 who self manage their asthma medication.

If your child has a medical issue that the school is not aware of, please contact the front office for further information.

Cashier/Uniform Shop

The Cashier / Uniform Shop will be closed on Friday 16 March 2018.

Payments and uniform purchases can be made via the Qkr! app, online via the school website or a payment slip/order form can be placed in the payment box in the Front Office.

School Closure Day - Tuesday 13 March

Parents are reminded that Tuesday 13 March is a Pupil Free Day to enable teachers to attend PD in Learning Design and Moderation along with other staff in the Adelaide Prospect Partnership.

Barry Messner Park

We have new signs on the cricket nets located in Barry Messner Memorial Park opposite the school on Second Avenue.

SCHOOL USE ONLY
8.00am - 6.00pm Monday to Friday

These signs are primarily to deter non-authorised people using the nets when required for school purposes. This includes before school sports practice; during school hours for student, classroom and PE activities; after school team practices; OSHC and agreed external hiring arrangements.

East Adelaide School families are welcome to use Barry Messner Park out of school hours if it is not being used for the above mentioned purposes.

Influenza B

There has been a confirmed case of Influenza B in the school community.

Symptoms may include rapid onset of fever, headache, muscle aches, fatigue, sneezing, running nose, sore throat and a cough.

The infectious period is from 1 day before onset of symptoms until 7 days after the onset of symptoms.

Should you have any concerns, please seek advice from your medical practitioner.

Tour 1 – 9.00am Tour followed by 10.00am Presentation
Tour 2 – 11.30am Tour followed by 12.30pm Presentation. Please visit MHS website to book online.
News from Students in Year 2

In Rooms 8, 9, 10, 15 and 16 we have been learning about our social and emotional learning and Growth Mindsets. Having a growth mindset can help us to be successful and improve our learning and our relationships.

In English, we have been working on Descriptive Writing, using adjectives and visualisation to describe and draw different things.

The more the description we use, the better idea we have of what something looks like. It helps us when we are reading to visualise what is happening in a story and it makes our writing more interesting.

Living Safely with Pets Program
“The dog was so cute!” - Ruby

Room 8 students gives Year 2 a thumbs up!
STUDENT WELLBEING

This year as a school we have decided to use a program called You Can Do It. (YCDI). The main purpose of YCDI is to provide children with the opportunity to develop their social and emotional wellbeing through the five foundations of confidence, persistence, getting along, organisation and emotional resilience.

As educators it is our responsibility to support our students in reaching their potential academically, intellectually interpersonally and emotionally. The 5 foundations are inextricably linked to our school values.

Respect – getting along and confidence
Resilience – persistence, confidence and emotional Resilience
Relationships – getting along
Responsibility – organisation

Each class has a set of the 5 foundation posters outlining the type of language teachers will use with their students to build consistency across all year levels. If you would like a copy of the 5 A4 posters please email me and I can send you an electronic copy.

After School Sport News

Term 2 and 3 After School Sports
Registration Forms for After School Sports (Term 2 and 3) are available from the Front Office and on the school website.

Skills programmes offered in Terms 2 and 3 for children in Reception to Year 2 are: Basketball, Netball and Soccer and in Term 2 only Football (Auskick).

Sports Teams offered in Terms 2 and 3 for children in Years 2 to 7 are: Basketball, Football and Soccer. Hockey (Years 2 to 6) and Volleyball (Year 4 to 7).

Term 2 and 3 After School Sports Registrations and payments need to be completed by Friday 16 March. Payments can be made via the Qkr! App or at the Cashier/Uniform Shop.

Summer After School Sports Presentation Night
The Summer After School Sports Presentation Night is being held on Friday 6 April in the school gym. Students who participated in Basketball or Netball in Term 4 2017 and Term 1 2018 will receive a trophy on this night. Individual invitations will be sent out to relevant students in coming weeks.

Cricket
The cricket season has begun. We have 6 East Adelaide teams competing in cricket during Term 1 and 4. We have 1 Kanga Junior (Year 2) team, 2 Kanga Senior (Year 3) teams, 2 C Grade (Year 4/5) and an A Grade (Year 6/7) team. Thanks to all parents who have assisted us with coaching and scoring for the teams. We are very lucky to have many quality coaches involved in our cricket teams. This term has a very short cricket season due to the influence of winter sports, such as football and soccer booking out local sporting facilities. We are looking forward to even more children involved in Cricket in Term 4 this year!

Winter Netball Teams
Netball Coaches have met this week to discuss the upcoming Winter Netball Season. Details regarding children's allocation to a netball team, coaches, training days and times, uniform requirements etc will all be distributed by the end of the term.

Rebecca Waddingham
After School Sports Coordinator
