Term 2 Week 7  Friday 15 June 2018

From the Principal

Voluntary Building and Library Funds

These two funds enable tax deductible donations from families for any amount over $2. Currently we have:
$19,895 in the Library fund
$13,362 in the Building fund

Both funds were established in the 1990s to support the school community to acquire additional funds for specific purposes. The $50 donation to each fund is a tax deduction.

The ATO provides clear directions as to the expenditure of each of these. Building Fund: the refurbishment of the interior or exterior of buildings, including landscaping; Library Fund: purchasing of IT equipment to increase access for students and to increase student engagement with 21st century learning tools; 10% of this fund can be used for the purchasing of resources such as books.

These funds generate approximately $5,000 per year per fund. In consultation with the Finance Advisory Committee, recommendations of expenditure are made to Governing Council, based on the needs of the school and our school priorities.

Over the past few years, we have used the Building Fund to support the refurbishment of the Dawson building, Rooms 25 and 26, the Performing Arts Centre and new carpets in the Heysen Building.

Expenditure has been in the vicinity of $185,000.

Since 2011, we have spent approximately $70,000 from the Library Fund to purchase digital devices for student use.

The Governing Council will continue to discuss further upgrades to our assets. If you notice an area needing freshening up or improvement, please email your thoughts me at dl.1036.info@schools.sa.edu.au

Please continue to support these very worthy school funds.

Behind The News Turned 50

To celebrate BTN’s 50th Birthday, a small group of students from schools close to the ABC were invited to attend the celebrations at the ABC.

Alan S, Angus L, Sofia M, Grace M and Sophia K, made up that privileged group who proudly represented East Adelaide School.

Early Arrivals at School

Staff have become increasingly concerned about the number of students who are arriving at school well before teachers are on Yard Duty at 8.30am.

If your children need to be at school before 8.30am, please make arrangements with OSHC for them to attend Before School Care. OSHC can be contacted via email dl.1036.oshc@schools.sa.edu.au or alternatively on 8362 6585.

Vacation Care

The July Vacation Care program will be released on Monday 18 June (Week 8). Bookings will open from Monday 25 June (Week 9) from 7:15am. Bookings can either be returned in person at the OSHC office or emailed to dl.1036.oshc@schools.sa.edu.au. Please note that the families cannot use the online booking system for Vacation Care bookings.

Child Care Subsidy

Please ensure you have been assessed through Centrelink for the new Child Care Subsidy being introduced from 2 July 2018. Please head to https://www.education.gov.au/ChildCarePackage for further information.

From the Wellbeing Coordinator

As parents we want our children to be confident and happy. Confident kids are more likely to make the most of their potential as they will extend themselves both socially and learning-wise. Confidence plays a big role in student’s positive wellbeing and learning. Some confident behaviours which children demonstrate at school are:

- Attempts to complete a difficult and unfamiliar task
- Puts their hand up to answer a difficult question
- Introduces themselves to a new student or teacher
- Speaks loudly and clearly when presenting to a large audience.

This week I have attached an article which outlines 10 ways families can build confidence in their children. Some of these strategies you may already be doing with your children while there may be some new ones you would like to put into practice.

**Uniform Price Reduction**  
**Limited Stocks Available**

The Governing Council, with student consultation, will be looking over the school uniform to determine which styles are more favourable with students. Currently the uniform shop has an oversupply of “non-logo” items, which the school will no longer stock. The cost of selected items have been permanently reduced; but there are limited sizes available. Once these items are sold out, they will no longer be restocked.

Purchases can be made on Qkr! or at the Cashier / Uniform Shop Tuesday 8.30 – 9.15am and 3.00 – 3.45pm and Friday 8.30 – 9.15am.

**Entertainment Book 2018**

East Adelaide School is selling the Entertainment Book in 2018 and all profits from the sale will go towards the purchase of new uniforms for our After School Sports program.

All purchases will be made via the online portal  

Encourage your friends and family to purchase their books and support our After School Sports program.

**News from District SAPSASA Football**

Recently Patrick H, Aidan H and Samuel H all played in the district SAPSASA football team. Their team were equal first champions in Division 1 in the state carnival!

News from Year 5 Students

The Year 5s and Year 5/6 class visited Christie Walk and the Sustainability Centre. The excursion was part of our 'immersion' phase of learning for our upcoming STEM unit, Creating Our Future City. The excursion opened their eyes to innovative and sustainable living solutions.

Inside the walkway of Christie Walks, there is a large mosaic depicting a story wall of Christie Walks. We walked through the walkway, ending in a large, open space with a small carpark in front of a wide shed that proved to be crammed full of bikes in all shapes and sizes. Some of the benefits of living in Christie Walks without a car includes the fact that many neighbours are willing to share their car, and the helpful and healthy option of many bikes ready to go. On both sides of the shed, there were two buildings of apartments. Sophia V, Room 28

On Friday, Room 28 students visited the city to see Christie Walk. Christie Walk is a big space with tall houses and a beautiful community garden. When you first walk in, there is a massive art piece on the wall showing world peace. At Christie Walk there are eleven car parks and there is a bike shed. The houses are made of aerated cement, but 6 of the houses was built with renewable straw. Christie Walk is named the best recycling building in the city. Some recycling objects I saw were the use of rain boots and cups as pot plants. Maddison W, Room 28

On Friday, all the Year 5s went to Christie Walk located in the city. The first stop is the Sustainability Centre. It has a garden using recyclable materials to save our environment. This place is a big place and they have meetings there. It is a wonderful place. The next destination was the ugliest building in Adelaide. It's an apartment which is grey. Our class had a break at China Town and then we went to eat lunch at a basketball court. The last destination was Christie Walk. Aleisha N, Room 28

This term, the Year 5s and Year 5/6 class will identify some of the issues we are facing in terms of population growth in Australian Capital Cities. The students will have the opportunity to dream, design and deliver a solution for future generations.

Stay tuned

July School Holiday Workshops for Children

Art ed are planning to run two days of workshops for children in the July school holidays. Payneham Community Centre … corner of Arthur Street and Payneham Road.

Cost : $50 full day …… 9.00am – 4.00pm Children will need to bring their own lunch, snacks and drinks
