Term 2 Week 9       Friday 29 June 2018

From the Acting Principal

Student Progress Reports

Mid-year student progress reports will be sent home with your child in Week 10 Term 2.

These reports indicate student progress over the first semester (Terms 1 and 2) and comply with the Australian Curriculum and Government expectations of A-E grading or word equivalent for each subject area.

At East Adelaide, we have agreed to use the word equivalent of Excellent, Good, Satisfactory, Partial and Minimal. The Satisfactory in our reports indicates to parents that their child is demonstrating work at the standard expected for students in that relevant year level.

Term 3 is always the time for optional interviews which can be organised by either teacher or parent. If you have any concerns related to your child's progress, please ensure that you make a time directly with the teacher. This is an opportunity to discuss your child’s mid-year report.

Reconciliation Assembly

On Friday June 1 we had a special assembly celebrating the week of Don’t Keep History A Mystery. During the week we had some special guests visit the school. One of the guests who visited on Friday was Inawinytji, an elder and renowned artist from the APY lands. She came to share her stories and visited classes to share Inma (traditional dance) and Yankunytjatjara stories. I was so moved as I had met Inawinytji in the 1990s when I worked as a teacher at Fregon Anangu School.

Sand drawings are unique to Fregon women and are done to pass on traditional stories from mother to daughter. These sand drawings are now being done on material and one was given to me as a parting gift. When I left Fregon I hadn’t realized that it was one that Inawinytji had made until that morning. How amazing was it to be able to have a photo together to talk about memories and of some of the elders who have passed on. It was so lovely to know that and our history together (Inawinytji and I) continues to live on.

Music Evening

Thank you to the students who performed at the music evening, it certainly proved what high quality talent we have amongst our community. We would like to thank Margie (Department for Education, Instrumental Music Service), our music tutors (Michael, Jay, Susu, Stephanie, Jack) and Larissa Maher for making the evening possible. The student announcers of Samuel, Patrick and Bailey kept us entertained with some great one-liners. We would also like to thank all the parents who put in such time and effort to making music at our school be so much part of our community. Well done everyone.

Leonie Robertson

Monday 2 July
Casual Day – gold coin donation to support our overseas sponsor children

Friday 6 July
Last Day Term 2
Student reports sent home
Early dismissal 2.30pm

Dates to Remember

Friday 6 July
Assembly hosted by the Ambassadors 9.10am

Monday 23 July
Term 3 commences

Monday 20 August

Did you know that information regarding upcoming excursions and camps is on our school website? Visit http://www.eas.sa.edu.au/parent_information/camps_excursions.htm for information.

OSHC

The OSHC Vacation Care program is available on the school website.

Vacation Care bookings may be emailed to dl.1036.oshc@schools.sa.edu.au.

Music News

Congratulations to all students who showcased their talents at the EAS Musical Evening last Wednesday. It was wonderful to hear so many great performances from soloists, the Choir, and string ensembles. A big thank you to all staff and students involved, and to all parents and families for the much-needed help and encouragement at home with practice.

A small number of vacancies exist for students wishing to learn an instrument with Michael Beare next term. The yellow IMT information/enrolment brochures are available at the front office, or alternatively please contact: Michael Beare (piano/keyboard/clarinet/saxophone) 0403 004 733 or email michaelbeare@adam.com.au.

East Adelaide School Fair
Friday 2 November 2018

We are seeking donations to prepare for our Plant Stall at the East Adelaide Fair on Friday 2 November 2018.

Rooms 11 and 4W are seeking donations of the following items:
- Glass jars of all sizes (clean, no lids)
- Tea cups
- Tin cans (clean with labels removed)
- 2L milk bottles (clean, no lids)
- Newspapers
- Potting mix
- Small rocks
- Seeds – herbs, tomatoes.
- Succulents (we will collect these later in Term 3)

Any items can be left in the downstairs in the Dawson Building wet area, near Room 12.

Contact Jo Cardone, Year 3 Teacher, Room 11, jo.cardone529@schools.sa.edu.au or Hayley Combe, Reception Teacher, Room 4W, hayley.combe109@schools.sa.edu.au for further information.

Parvovirus also known as “Slapped Face”

There has been a confirmed case of Parvovirus B19 (slapped face) in our school community. The infection is spread when an infected person talks, coughs or sneezes small droplets containing infectious agents into the air.

Symptoms can include a mild cold-like symptoms and then 2 to 5 days later, typically a “slapped cheek” develops and a lacy red rash on the trunk and limbs.

Should you have any concerns, please seek advice from your medical practitioner.

Nationally Consistent Collection of Data on School Students with Disability (NCCD)

All schools are required to collect information about the numbers of students that they provide adjustments to under the Disability Discrimination Act (1992) and Disability Standards of Education (2005). From 2018, this data will be used as the basis for national funding. The NCCD involves the collection of:

- the number of students receiving adjustments to enable them to participate in education on the same basis as other students
- the level of adjustment provided to students
- student’s type of disability if known

Under the model, the definition of disability is broad and includes learning difficulties, health and mental health conditions.

If your child is identified for inclusion in the Collection, the required information will be included in this year’s data collection.

If you have any questions about the data collection, please contact Leonie Robertson, Deputy Principal on 8362 1622. Further information can be found at: [http://www.education.gov.au/nationally-consistent-collection-data-school-students-disability](http://www.education.gov.au/nationally-consistent-collection-data-school-students-disability).

Debating News

East Adelaide Blue team debated against Pulteney Grammar. Our team showed much courage in rebuttal but unfortunately Pulteney managed to rebut more arguments than we did.

The topic was “That schools should discourage best friends.” Well done Isaac, Jade and Elyssia. Thankyou Jasmine for chairing the debate.

East Adelaide Blue debated against Parkside Primary and won. Well done, Thomas, Harry and Alex. Congratulations Harry for winning debater of the evening. Thankyou to Xavier for chairing the debate.

New outside Amphitheatre

It is with great excitement to announce that we are at the design stage for the Amphitheatre. This is going to be built near the Matrix playground under the large tree and will be used as an outdoor learning area for classes to do performance; a great place to hangout, play chasey or read a book at recess and lunch times.

Some designs were designed by Steve from LCS Landscapes. Patrick, Harrison and students from the environmentalist group, surveyed students from all the Years 3 to 7 classes. Students voted and put comments on each of the plans. The same process was followed with the teaching staff. Steve and parents from the Assets and Landscape committee had another meeting and soon the final plans will be drawn. From then we can start the construction.

The Amphitheatre will cost $25 000 for the first stage and all the money that we raise through the Fair in Term 4 together with all the great activities that the Parent and Friends group do, including raffles, stalls and barbecue’s, will go towards it.

Stay tuned ……..
News from Year 7

In Week 8 the Year 6/7's ventured to Monarto Zoo, where they experienced what it would be like to be a Ranger in a National Park as well as view all of the wildlife within the Zoo.

In week 7 Room 18 and Room 20 Visited Adelaide High School to work with the Science teachers investigating Chemical Science, they were given the opportunity to participate in hands on experiments in the Science Labs.

In week 4 and 9 Room 17 and 21 visited with the Year 8 students at Norwood Morialta High School to work collaboratively together on a STEM project. This project is centred around sustainability utilising discipline knowledge from the 4 areas of Science Technology Engineering Mathematics.
After School Sports News

With the school holidays fast approaching, I would like to congratulate all of our teams on a fantastic Term 2 of winter sport. Whilst there have been many wins and some losses, the overall attitude to being involved and displaying the School Values whilst playing and training have been the most satisfying for myself and the school.

There are a few clinics available in the school holidays that might be of interest.

**Cricket**

Kensington Districts Cricket Club “The Browns” are having their trials for the upcoming 2018/19 season in the school holidays. Trials will be held at Mega Courts Indoor Sports, Windsor Gardens. For trial dates and times, please see the club’s website [http://kensingtonbrowns.com.au/?p=4350](http://kensingtonbrowns.com.au/?p=4350)

There are various sports clinics available throughout the school holidays. I have included some of their flyers in the newsletter for your information.

Wishing everyone a safe and relaxing holidays and look forward to a fantastic second half to the winter season.

*Craig Ward*

After School Sports Coordinator
