From the Principal

Students, teachers, parents, grandparents and special friends were all immersed in a week of fun during Science Week, where students delved deeper into Science and STEM related learning. The Science teachers, Mandy and Vicki, organised a range of science activities students could engage in during lunch time periods and coordinated a wide range of presenters for classes, specifically focusing on their work in a STEM related career path. The week ended with a STEM showcase of student learning, featuring digital technologies and design thinking processes for Grandparents/Special Friends Morning. Staff and students are to be congratulated for the focused effort in the learning on display and for enabling students to talk about their learning. I thank parents of our school, along with other guest presenters, who volunteered their time to present to classes throughout the week.

Rural Aid for Our Farming Communities
In amongst Science Week we dressed as farmers and asked for a $2 coin donation from all students in support of our drought affected farmers. We managed to raise $2 000. These funds have been sent directly to Rural Aid. Thank you to the East Adelaide School Community for their generosity.

Hats
Please remind your children to wear a hat everyday in Terms 3 and 4 as this is part of the Department's SunSmart policy. Hats are available for purchase online via Qkr! App or at the Cashier/Uniform Shop.

News from OSHC

The October Vacation Care program will be released on Monday 27 August (week 6). Bookings will open on Monday 3 September (week 7). Bookings will only be accepted via email to dl.1036.oshc@schools.sa.edu.au or be returned in person at the OSHC office with the completed form.

On September 7 we will be throwing a farewell party for our Director, Ben Hepper during the pupil free day. We will be providing a sausage sizzle for lunch and we will have a bouncy castle.

Enrolments for 2019

To assist us to effectively plan, it is important that we have accurate enrolment numbers of students for 2019. To support forward planning, could you please contact Linda via email linda.fehlandt511@schools.sa.edu.au or ring the school office on 8362 1622 to inform us if you will be leaving our school community. It would be most helpful if we received this information by Thursday 6 September.

Homework Survey – Seeking Feedback

Please help the school review and improve our Homework Guidelines by participating in a short online survey. This online survey closes on August 25.

All feedback is anonymous and will be collated by the Education Sub Committee and shared with Teachers to support consistent implementation of the guidelines. Click on link below to begin survey.

Annual Book Drive

Many families in Australia do not have books in their homes and a lot of these are from Aboriginal communities. In recognition of Indigenous Literacy Day on 5 September, we are asking that students find a book that they no longer read, that is in good condition, and bring it in to Front Office between Monday 3 September and Friday 14 September. The books will be distributed to remote Aboriginal communities in the north of South Australia. We hope to collect as many books as possible to improve the love of reading and the literacy of these children. Thank you.
Parents in Education Week promotes and highlights the importance of parents being engaged in their child’s learning and education from birth through to the end of school, and provides practical advice for parents on how to support their child’s learning.

This year an exciting program of free parenting seminars will be held of 3 nights at the Adelaide Entertainment Centre from Wednesday 28 to Friday 30 August.

To read more about the program and speakers or to register to attend please go to: https://www.education.sa.gov.au/pieweek

News from Chinese

This term, Chinese students have been very busy in some really exciting activities. These activities include a special project researching the Chinese National Treasure Panda (熊猫), Chinese brush painting (毛笔画) and Calligraphy (毛笔字).

We have also been working on Father's Day cards and a story on the coming Chinese Moon Festival (中秋节).

There are some student's work on display for sharing with our school community.

Auskicker of Round 21:
EAS’ own Toretto Denton

Two weeks ago, the Friday night of the Essendon v St Kilda football match wasn’t the most exciting match of the round, until the half time break.…

Toretto, who is a year 3 in Room 14, was named Auskicker of the round! He was interviewed by Hamish McLachlan and played in the halftime Auskick game at the Etihad Stadium. He had so much fun and kicked lots of goals.

EAS staff and his classmates were very proud of Toretto as he did a wonderful job during his interview. He gave a shout out to his sister Brooke and said he kicked 25 goals in one match! Toretto and Hamish then acted out scoring the winning goal for Port Power in the showdown - even though his favourite player is Eddie Betts.

Toretto will return to Melbourne in a month to present a medal to one of the victorious players of the 2018 AFL Grand Final.

Toretto’s interview was aired at our assembly this week and he is one of our EAS’ treasures.

Book Week Parade

Two students dressed as Harry Potter and Hermione Granger stand together, smiling and looking at the camera. Another student dressed as an American soldier is also visible in the background.
FATHER’S DAY STALL

Dear Parents/Caregivers,
The P&F Committee will be holding its annual Father’s Day Stall in Week 6 of Term 3.
The stall will be open on Tuesday 28 August from 9 – 10.30am and Wednesday 29 August from 9 – 10.30am.
There will be a wonderful range of items available to purchase for this special occasion.
Each class will be allocated a time to purchase from the stall, with the assistance of their teachers.

We thank you for your support.

Nude Food

Help reduce the amount of waste going to landfill by becoming a Nude Food Warrior.

What is nude food?
Nude food is simply food that is not wrapped in plastic, foil or other commercial packaging.

Nude Food Warrior

Bring a rubbish free lunch and snack to school on:

Waste-free Wednesday is important because it reduces waste and therefore reduces the amount of rubbish in our homes and schools. It also helps the environment.
