Nationally Consistent Collection of Data on School Students with Disability

We will be commencing the annual Nationally Consistent Collection of Data on School Students with Disability. This involves the collection of the number of students receiving adjustments to enable them to participate in education on the same basis as other students, the level of adjustment provided to students and, where known, the student’s type of disability.

Under the Collection model, the definition of disability is broad and includes learning difficulties, health and mental conditions.

If your child is identified for inclusion in the Collection, the required information about your child will be included in this year’s data collection. If you have any questions about the data collection, please contact Dagmar Keady (Acting Deputy) or Leonie Robertson (as of term 3) on 8362 1622.

Lost Property

Please take the time to check for any items that you are missing. For any valuables such as watches, sunglasses or jewellery, please ask at the Front Office. Clothing and lunchboxes/bottles are kept in the lost property baskets located downstairs in the Dawson Building, the Vines, Heysen Building, the Gym and OSHC. All items not claimed before the end of term will be disposed of during the holiday break.

Also, could parents please check the labels on the inside of uniform items (e.g. jumpers/hats) to make sure that their child hasn’t accidentally taken another child’s clothing.

Enrolments for 2020

The school has commenced planning for the 2020 school year. We have heard from some year 6 students that they will be moving onto private schooling for 2020. It is important to have this information verified by parents. If you are planning for 2019 being your child’s final year at EAS please inform Linda Fehlandt via email, linda.fehlandt511@schools.sa.edu.au.

If you have a child at pre school who you would like to start at EAS in 2020, please complete a registration of interest form located on our school website and forward to Linda.

Vacancies for Reception are filling fast.

Sincere regards
Vicki

Changes to Clearances for Volunteers

From 1 July there will be a change to the clearance required for people working with or volunteering to work with children.

For more information about the new check visit the DHS website.

School Dress Code

We are finding that students are wearing many different types of jumpers or jackets throughout the school day, including black tops and SAPSASA jumpers. Please remind your child before leaving home that they must wear school jumpers or jackets with the East Adelaide School logo; any other top does not meet the school dress code.

This is about school pride.

News from Year 5 Students

The Year Fives went on excursion last week to the Dream Big Festival to view two amazing exhibitions.

One used a grain of rice to represent a person and broadened our understanding of different populations of places and events. Students were amazed at the number of people who died from Spanish influenza and the number of people who are registered in the AFL.

The Same Like Yesterday play opened our eyes to the use of multimedia to share a traditional Aboriginal story told by a group of women from the perspective of a 12 year old girl.

Debating News

Our two EAS debating teams competed in the second round of debates. Both teams debated on Tuesday 4 June. The topic was that ‘The handing out of birthday invitations has gone too far.’ The East Adelaide Green team defeated Emmaus Christian College and produced an outstanding debate. They were highly commended by the adjudicator. The East Adelaide blue team were defeated by Mercedes College; all speakers were commended for the high level of argument which they presented, however we received some feedback to work on in the coming weeks. Angel S won a certificate for debater of the evening.

SAPSASA Girls Soccer

On Thursday 6 June the SAPSASA girls played the first stage of the SAPSASA soccer knock out tournament. We played a round robin tournament with two other schools. Our first game was against St Aloysius College. We were lucky to come away with a 8 – 0 win which gave us a confidence boost for the next game. While watching the next two teams we thought we would have to go into the next game with a level head. Our second game was against Nailsworth Primary where we finished with a 7 – 0 win. The girls put on an amazing display in both games and were humble in victory. We will go through to the next round of the tournament in the coming weeks.

News from Canteen

The Canteen is still doing Fresh Fruit Friday. The students can purchase an apple or pear slinky for 50 cents.

Also available on Fridays is toasted fruit loaf, buttered or plain for 50 cent.

These items cannot be ordered but are available at recess.

If anyone would like to volunteer please come in and see us or phone 8362 5221. We need more people for next term as a couple of our regular volunteers will be away. Any help that you can give would be greatly appreciated.

Kind Regards
Lisa & Diane
