Term 2 Week 9    Friday 28 June 2019

From the Principal

Student Progress Reports
Mid-year student progress reports will be sent home with your child in Week 10 Term 2.

These reports indicate student progress over the first semester (Terms 1 and 2) and comply with the Australian Curriculum and Government expectations of A-E grading or word equivalent for each subject area.

At East Adelaide, we have agreed to use the word equivalent of Excellent, Good, Satisfactory, Partial and Minimal. The Satisfactory in our reports indicates to parents that their child is demonstrating work at the standard expected for students in that relevant year level.

Term 3 is always the time for optional interviews, which can be organised by either teacher or parent. If you have any concerns related to your child’s progress, please ensure that you make a time directly with the teacher. This is an opportunity to discuss your child’s mid-year report.

Music Evening
Thank you to the students who performed at the music evening. We would like to thank Margie Hopgood, Instrumental Music Teacher, and all the private music tutors who work with our students. Thank you to Larissa Maher for making the evening possible and to the student comperes; Alisha, Zenya, Ruby and Zeina for their service to the school. Above all we thank you, the parents, friends, siblings and grandparents who came along as an authentic audience for the students to perform for.

Monday 1 July
Reminding everyone, East Adelaide School is open for a modified program on Monday. If you are considering keeping your child at home on Monday please inform the school via a SMS on 0409 965 052

Enrolments for 2020
The school has commenced planning for the 2020 school year. We have heard from some year 6 students that they will be moving onto private schooling for 2020. It is important to have this information verified by parents. If you are planning for 2019 being your child’s final year at EAS please inform Linda Fehlandt via email: linda.fehlandt511@schools.sa.edu.au.

If you have a child at pre-school who you would like to start at EAS in 2020, please complete a registration of interest form located on our school website and forward to Linda.

Vacancies for Reception are filling fast.

**Quiz Night**

Thank you to the hard working team of volunteers of the Parents and Friends Committee and everyone else who worked behind the scenes over many months and on the night, ensuring the dynamic ethos of the East Adelaide School community was kept alive through the Quiz Night. We all had fun, we re-connected with old friends and made new connections on the night, all in the process of raising funds for our school.

Our aim was to raise funds to contribute towards the development of a natural play area in the north western corner of our school grounds for all our students to enjoy.

This year we are in the planning phase with 2020 breathing life into the dream.

A very big thank you to the 240 EAS community members who were available to come along and join in and spend some money along the way for our good cause.

**Governing Council Report**

Esther C (deputy chair) and I have had the pleasure of attending the School Improvement Forum at Adelaide Botanic High School. The forum was an opportunity for the leaders of the Department, including the Chief Executive Rick Persse, to engage with governing council members from around our state and to speak about the Department's 10 year plan for improving education in South Australia. The attendees engaged with the Department representatives and were able to ask questions about the 10 year strategic plan and the education system generally. We reported back to the governing council about the forum. A video of the session will be made available online, but I understand that at the time of publication, it was not yet available. Our principal, Vicki Stravinski, also spoke to our governing council about how the 10 year strategic plan affects our school and will continue to report about the improvements it will make for our students.

A panel comprising of governing council members, the principal and a LEOS sub-committee member reviewed four submissions from architectural firms to undertake the Learning Environment Opportunities Study (LEOS) process for our school. The governing council has approved the recommendation of that panel to engage Grieve Gillett Anderson Architects and Wax Design in that role. They will engage with our school community to put together a plan for the development of the learning spaces in our school.

The governing council has approved funding for some sound baffles to be installed in rooms 9 and 10 and for the enclosure of rooms 5 and 6 in the Heyson building. Works should occur during the school holidays and will assist in reducing excessive noise in those areas.

We have also approved funding for the continuation of a paid position in the canteen, which will ensure that the canteen can continue to service our children. The governing council would like to encourage all families to volunteer at the canteen when they can. The canteen provides a valuable service for our children, and canteen management works very hard to provide healthy and tasty items for our children. Please contact the canteen manager, Lisa for further information or to volunteer.

Please feel free to contact me if you have any questions or feedback.

Lauren Roberts
Governing Council Chair

**Music News**

The recent music evening was a huge success, with a high standard of performances from soloists, the Choir, and string ensembles. Congratulations to all involved!

A small number of vacancies exist for students wishing to start learning an instrument with Michael Beare next term. The yellow IMT information/enrolment brochures are available at the front office, or alternatively please contact: Michael Beare (piano/keyboard/clarinet/saxophone) 0403 004 733 michaelbeare@adam.com.au

**Canteen News**

Fresh Fruit Friday is going well with the students enjoying the slinky apples and pears. The warm option is toasted raisin bread (buttered or plain) and melted cheese or ham & cheese pitta triangles all for only 50 cents. These are also very popular.

If anyone would like to volunteer in the canteen we would love to see you even if you can only spare an hour or two. Please phone 8362 5221 or drop in to see us - we would really appreciate your support.

Nationally Consistent Collection of Data on School Students with Disability (NCCD)

All schools are required to collect information about the numbers of students that they provide adjustments to under the Disability Discrimination Act (1992) and Disability Standards of Education (2005). From 2018 this data will be used as the basis for national funding. The NCCD involves the collection of:

- the number of students receiving adjustments to enable them to participate in education on the same basis as other students
- the level of adjustment provided to students
- student’s type of disability if known

Under the model, the definition of disability is broad and includes learning difficulties, health and mental health conditions.

If your child is identified for inclusion in the Collection, the required information will be included in this year’s data collection.

If you have any questions about the data collection, please contact Dagmar Keady (Acting Deputy) or Leonie Robertson (as of term 3) on 8362 1622. Further information can be found at: http://www.education.gov.au/nationally-consistent-collection-data-school-students-disability.

News from Year 7

One of our year 7 students, Sam W of Sam’s Popcorn, recently won this year’s Seven News Young Achiever Award (Leadership category). The awards were open to people up to 29 years of age so there were some amazing nominees. One of the officials told Sam that in the more than 30 years that they have been holding the awards Sam is the youngest person to ever win a category. Also as a finalist, Sam was nominated for and won the People's Choice Award. This award was sponsored by Fresh 92.7 FM where the public could vote for their favourite finalist (see https://fresh927.com.au/and-the-seven-news-young-achiever-awards-winners-are/)

School Photographs

School photos have been sent home with students this week. If you requested to collect your order from the Front Office, they are available to collect.

If you have any questions regarding your photos, please contact MSP Photography on 8132 1148 or email enquiries.adl@msp.com.au.
After School Sports News

With the school holidays fast approaching, I would like to congratulate all of our teams on a fantastic Term 2 of winter sport. Whilst there have been many wins and some losses, the overall attitude of our students to being involved and displaying the School Values whilst playing and training has been the most satisfying for myself and the school.

There are a few clinics available in the school holidays that might be of interest.

Cricket
Kensington Districts Cricket Club “The Browns” are having their trials for the upcoming 2019/20 season in the school holidays. Trials will be held at Mega Courts Indoor Sports, Windsor Gardens. For trial dates and times, please see the club’s website

There are various sports clinics available throughout the schools holidays. I have included some of their flyers in the newsletter for your information.

Wishing everyone a safe and relaxing holidays, and look forward to a fantastic second half to the winter season.

Quiz Night wrap up

Thank you to everyone who attended the Quiz Night on Saturday night. The night was a huge success and was thoroughly enjoyed by all! We have raised in excess of $13,000.00 to go towards the upgrade of the school's outdoor play areas. We are very grateful to our families and community for their ongoing support of our fundraising efforts.

The Parents and Friends Committee would like to thank all the sponsors and supporters of the Quiz Night, but in particular would like to extend a big thank you to Sophie Davies, our quiz master for her humorous and effervescent performance. We would also like to thank the leadership of the school for their support in organising the night and to Graeme, our groundskeeper, for his extra efforts to help us with set up and pack down.

Congratulations to Andrew Longford (Alan from The Hangover) and Gail Ramos (Ann Darrow from King Kong) for winning Best Dressed and to the Patelias Table (Bollywood) for winning Best Dressed Table.
