Have a safe and restful winter break!

SA Excellence in Public Education Awards
Congratulations to the following staff who have been recognised through a public nomination for their role in the field of education. The worthy recipients are:
Heather Douglas
Linda Fehlandt
Lucinda Pengilly
Belinda Robertson
Andrea Vigare
Let’s see if we can increase the number of nominated staff in 2017.

Student Progress Reports
Reminder that written reports will be sent home during Week 3 of this next term.
Term 3 is always the time for optional interviews which can be organised by either teacher or parent. If you have any concerns related to your child’s progress, please ensure that you make a time directly with the teacher. This is an opportunity to discuss the child’s mid year report.

Staffing Update
Julie Day is on Long Service Leave for Term 3 and taking her place is Pip Souter.
Sam Hutton is also on Long Service Leave for Term 3; Libby Andrew will be team teaching with Ali Kimber.

From the Principal

Theme for the Term: Australia! Story Country
Our learning throughout Term 3 will have a special focus on Australia - a country with many stories to share.
Classes are considering exploring great Australian scientists who have made significant impacts on the world and/or great Australians both indigenous and non-indigenous who have made significant contributions to Australia and the world.
Class learning will be showcased through various forums during the term.

Pupil Free Day
Friday 29 July is our pupil free day. Our focus is Intellectual Stretch. Please ensure you have booked your children into OSHC if you need child care for the day.

Teacher Absence
Term 2 has been a very cold term bringing with it a range of illnesses for children and teachers.
The teaching profession is most prone to flu, colds and gastrointestinal illness due to working so directly with children.
We must remember that many teachers are themselves parents of children who fall ill, and so they may need time at home to care for them.
Some teachers also experience times of significant loss and need to be away from school to work through their grief.
I expect that teachers will make a commitment to joint planning in year level teams beyond what they already do in school holidays and at weekends. They are also released during school hours to build upon their expertise in the Australian Curriculum and to design quality learning programs and experiences for our students. Each teacher is also entitled to release time to write reports. These are never written in a day. Many hours go into assessing student learning to ensure that quality information on children’s progress shapes the reports.
So please, when next your child’s teacher is not in the classroom know that it is for one of the reasons above.
I ask that you trust in the thorough communication process between class teachers and the temporary relief staff that we use. EAS teachers are highly professional and well prepared.

Nationally Consistent Collection of Data on School Students with Disability

We have commenced the annual nationally consistent collection of data on school students with disability (‘the collection’). This will involve the collection of the number of students receiving adjustments to enable them to participate in education on the same basis as other students; the level of adjustment provided to students; and, where known, the student’s type of disability.

Under the Collection model, the definition of disability is broad and includes learning difficulties, health and mental conditions.

Uniform Shop Closure
The Uniform Shop will be closed on Monday 25 July, Week 1 of Term 3.

Election Day BBQ Fundraiser
A very big thank you to Jamie Coombs and Lauren Roberts for organising the BBQ and the wonderful team of volunteers who came along on the day and supported us. We raised $2,182.50. A special call of thanks goes to the children that assisted - Xavier, Lucy, Bill and several others. Thank you to Thomas Foods, Bakers Delight at The Avenues, Metropolitan Fresh at The Avenues, Woolworths at Walkerville, the Mibus Family and Valente Family for their kind donations.

Reconciliation Week Clothing Drive
The Reconciliation Working Group were overwhelmed by the generosity of the school community towards the clothing drive held over Reconciliation Week.

Thirteen large packing boxes and four medium ones were filled with all your donations, which have been sent to Aboriginal communities in Coober Pedy, Oodnadatta Yalata and Ceduna.

The people who receive your donations are very appreciative. So THANK YOU to all who donated. This practical act of reconciliation makes such a difference to these communities.

2016-2017 Entertainment Book
The 2016 - 2017 Entertainment Books are now available and you can choose between the traditional Book or the Digital Membership. Books cost $65.00, with $13.00 from each book going towards school fundraising.

The Entertainment Digital Membership puts the value of the Entertainment Book into your Apple or Android smartphone. This is perfect for people on the go, with no card or voucher to present.

Digital membership is only available when purchased online: www.entbook.com.au/16050y4
Books may also be ordered online and collected from the school or purchased through the school uniform shop during opening hours.

Volunteer Training – Term 3
Existing volunteers do not have to repeat their Responding to Abuse and Neglect (RAN-EC) volunteer induction. They will only be required to be re-inducted if DECD makes significant changes to the training program. Sites will be advised by the corporate office if this needs to occur. Sessions are available at the following locations in Term 3; please contact the site to book into a session.

**Summer Netball**
I know we are currently in the throws of winter and it is hard to comprehend summer arriving any time soon. However, Summer Netball registrations for Term 4 through to Term 1 2017 have been distributed and are due Thursday 28 July (Week 1 of Term 3). Therefore, if your child is interested, please ensure they have a Netball registration form and have it completed in full and paid by Thursday 28 July if you wish them to play.

The registration form has also been placed on the school website. So please complete the registration forms in the holidays ready for the return to school in Week 1.

**Summer Sports**
Information and registration forms regarding Summer Basketball and Cricket, Netball Skills and Milo In2 Cricket will be sent out Week 1 of Term 3. Please read over the information and register your child before the due date.

**Thank you**
Thank you to Lucinda Dolan, Susannah Black and Anthony Ramos for coaching the Netball Skills and Soccer Skills in Term 2. We had some great feedback from parents regarding your coaching and it was great to hear that the children have developed their skills over the term. Thank you for showing the children your skills and also for sharing your passion for these sports.

**Netball Skills & Soccer Skills – Term 3**
Thank you to Lucinda Dolan for again coaching Netball Skills in Term 3 and thank you also to Josh Sutton who is coaching Soccer Skills in Term 3. These programs don't happen without parents willing to run the programs, so thank you. Thank you also to all the parents who have indicated their willingness to support Lucinda and Josh during the session by assisting with drills and activities. We look forward to the upcoming term of Netball and Soccer Skills.

**Casual Day donations**
Thank you to everyone who made a gold coin donation today to support our sponsored children, Herender [11] in India and Osvaldo [13] in Paraguay. If your child wore casual dress today, but forgot to make a donation, we would appreciate it still at the start of next term. Thank you, also, to Madeleine C whose stunning poster is reproduced here and to Tiarn V who also design a terrific poster promoting this special day.

**STEMMIES at work**
Each Thursday afternoon, a group of five Year 5 students are at the Senior Campus of Norwood Morialta High School exploring the world of Science, Technology, Engineering and Maths. Included here are photos of our latest group of STEMMIES working with their Year 10 buddies on designing and coding circuitry.
